RE: Lifeline Evaluation Draft Report

Attached please find MTC staff's interim Lifeline Transportation Program Evaluation draft report. This report presents staff's findings and recommendations based on an administrative evaluation of the interim Lifeline Transportation Program, which you were briefed on at your meeting last month.

Staff will be at your March 27 meeting to obtain your feedback on the report's contents. In addition, you may submit comments to me by e-mail at [jyeamans@mtc.ca.gov](mailto:jyeamans@mtc.ca.gov) any time before April 18. In anticipation of presenting this draft report to the full MCAC in April, staff believes it will be helpful to have subcommittee members' in-depth review and feedback to contribute to the full committee's discussion.

Following review of the draft evaluation by MTC's advisors, partners, and other stakeholders, staff expects to deliver the final draft, including all stakeholder comments, to the Commission in May.
