MTC's Transportation Awards recognize people and organizations that have made extraordinary contributions to the way people get around in the Bay Area each day. For nearly three decades, MTC has recognized day-to-day and long-term efforts that are improving transportation in the region. Nominations for our 2008 awards program have been extended to Friday, May 23, 2008. If you know of any persons or groups that you would like to nominate, please go to MTC's Web site at www.mtc.ca.gov/ for more information and for a nomination form.

MTC Annual Report

The 2007 MTC Annual Report is now available. The cover title is "Rising to the Challenge," and the document highlights several key events of last year, including the MacArthur Maze meltdown and its swift repair, the Labor Day Bay Bridge closure, and the opening of the new Benicia-Martinez Bridge. Please let me know if you don't receive a copy prior to the meeting next week and I will bring a copy to the meeting for you.
