Memorandum

TO: BATA Oversight Committee

DATE: July 2, 2008

FR: Deputy Executive Director

RE: Contract Amendment – On-call Construction Management and Project Design Services
 Dumbarton Bridge Seismic Evaluation: CH2M Hill (\$120,000)

In January 2007, the BATA Oversight Committee authorized the Executive Director to enter into contracts with 7 eligible firms to provide on-call construction management and project design services. As specified in the Request for Qualifications (RFQ) for the project, the work to be provided by the consulting firms under the contracts would be initiated by task orders for specific work activities.

Staff updated the Committee in May 2008 on the current status of the Dumbarton and Antioch seismic analyses. Caltrans' designers are conducting structural analyses and are on schedule to complete the development of retrofit strategies for both bridges by September 2008.

To keep this schedule, staff is proposing to issue a task order for a total amount not to exceed \$120,000 to CH2M Hill to provide Caltrans with an independent evaluation of retrofit concepts proposed for the Dumbarton Bridge.

Recommendation

Staff recommends that the Committee authorize the Executive Director or his designee to negotiate and enter into a contract amendment with CH2M Hill to provide an independent evaluation of proposed retrofit strategies for the Dumbarton Bridge in an amount not to exceed \$120,000.

Andrew B. Fremier

REQUEST FOR COMMITTEE APPROVAL
Summary of Proposed Contract Amendment

Work Item No.: 1251

Vendor: CH2M Hill
Oakland, CA

Work Project Title: On-call Construction Management and Project Design Services

Purpose of Project: To provide staffing to perform construction management and oversight for construction projects and design services for design projects.

Brief Scope of Work: Provide independent review of proposed retrofit alternatives for the Dumbarton retrofit project

Project Cost: Amendment - \$120,000; (Total contract including amendment - \$320,000)

Funding Source: Toll Bridge Rehabilitation Program Funds

Fiscal Impact: Project costs will be consistent with funds programmed and budgeted.

Motion by Committee: That the Executive Director or his designee is authorized to negotiate and enter into a contract amendment in the amount of \$120,000 with CH2M Hill to provide an independent evaluation of proposed retrofit strategies for the Dumbarton Bridge, and, as budgeted, the Chief Financial Officer is directed to set aside funds for such contract amendment.

BATA Oversight Chair:

Steve Kinsey, Chair

Approved: Date: July 9, 2008
