RE: 2009 Draft Legislative Program

Every year, MTC adopts a legislative program to guide our legislative efforts in Sacramento and Washington, D.C. The program is a strategic document that provides the Commission's general direction on MTC's priorities; it is not intended to be a comprehensive list of the projects that MTC expects to complete in the upcoming year. Specific details and positions follow as issues are introduced as bills or other legislative initiatives.

At your meeting next week, Rebecca Long, MTC Legislative Analyst, will provide a brief overview of what is currently under discussion for inclusion in the 2009 Legislative Program. Your input and ideas are welcome. The final legislative program will be presented to the Legislation Committee at its December 12 meeting, with final Commission adoption on December 17, 2008.

Attached for your initial review is a copy of the 2009 Draft Legislative Program. Should you have any questions or comments prior to the meeting, please contact Rebecca Long via phone at 510-817-5889 or via e-mail at rlong@mtc.ca.gov
