RE: BATA Financial Statements – October 2008

Please find attached for receipt the BATA financial statements for the fiscal year 2008/2009 period ending October 2008. Major highlights of the statements include:

(1) **Revenues:** Paid traffic count for the current four months is below last year's count by 2.13% over the same period. The revised revenue projection for fiscal 2009 will be \$465.4 million, down from a budget estimate of \$474 million. The annual payment from Caltrans for its seismic contribution received, was \$43 million which was transferred to BAIFA.

(2) **Caltrans Operations & Maintenance:** Due to the delay in signing the state budget, Caltrans operations and maintenance expenses are slower than we would otherwise have anticipated.
