DATE: December 5, 2008

FR: Deputy Executive Director, Policy

RE: Final 2009 Legislative Program

The 2009 legislative program that was presented as a draft for your review last month is now attached for your approval. The main changes are underlined or shown in strikeout. As part of our consultative and advisory process, members of the Bay Area Partnership's subcommittees and MTC's various citizen advisory committees have had an opportunity to review the draft program and where appropriate, staff has proposed modifications based on this input.
