RE: Draft Transportation 2035 Equity Analysis Report

Enclosed is the Draft Equity Analysis Report for MTC's Transportation 2035 Plan. The document features a four-page executive summary that outlines the background, methodology, regional trends, key findings from the analysis, and conclusions and next steps. In addition, the full report and its appendices will be accessible via the MTC Web site at [http://www.mtc.ca.gov/planning/2035\\_plan/equity.htm](http://www.mtc.ca.gov/planning/2035_plan/equity.htm).

Comments on the report may be submitted one of two ways:

1. Sent directly to me via e-mail at [jsyeamans@mtc.ca.gov](mailto:jsyeamans@mtc.ca.gov) until Wednesday, February 11, 2009, to be included with a final report to be produced at the end of February.
2. Through the regular Transportation 2035 comment process until Monday, March 2, 2009 (see [http://www.mtc.ca.gov/planning/2035\\_plan/](http://www.mtc.ca.gov/planning/2035_plan/)), including public hearings on January 27 (in San Francisco) and January 28 (at MTC's offices in Oakland).

I greatly appreciate the time and effort you have dedicated to the process of developing the Transportation 2035 Equity Analysis. I will be at your January 29 meeting to hear your feedback on the draft report and answer your questions.
