Assembly Bills	Subject	Status	MTC Position
AB 2 a (Evans) Elimination of Motor Vehicle Fuel Sales Tax/Imposition of New Fees/Income Tax	Provides for the elimination of taxes under the Motor Vehicle Fuel License Tax Law. Imposes an additional sales and use tax rate. Provides an exemption from sales and use taxes for motor vehicle fuel. Imposes an additional tax at a specified rate of tax liability under the Personal Income Tax Law. Imposes an oil severance tax upon any producer for the privilege of severing oil from the earth and water at a specified rate of gross value of each barrel of oil severed to be placed in the General Fund. (Introduced 12/8/08)	Vetoed	
AB 5 a (Evans) CEQA Exemption: Transportation Projects	Exempts from the California Environmental Quality Act (CEQA) specified transportation projects if certain conditions are met. Authorizes the extension of development lease agreements with public and private entities for certain transportation projects that charge tolls and user fees and increases the number of projects in the state. Requires all projects to be submitted to specified entities. Relates to project related bidding. Requires indemnity agreements. Authorizes design build method. (Introduced 12/8/08)	Vetoed	
AB 6 a (Evans) Transfer of Transportation Funds to General Fund	Revises the provisions governing the Transportation Debt Service Fund to authorize the Director of Finance to reimburse the General Fund any amount necessary to offset the cost of debt service made in any fiscal year for transportation-related general obligation bond expenditures. Allows Indian gaming fees that were collected between July 2008 and July 2013 and that were intended for transportation purposes to be deposited in the General Fund. (Amended 12/18/09)	Vetoed	
AB 7 a (Evans) Advancing of Proposition 1B Bond Funds	Authorizes the appropriation of additional bond funds from Proposition 1B for the current fiscal year, including \$700 million for local streets and roads, \$800 million for public transit capital projects, \$500 million for the Corridor Mobility Improvement Account (CMIA), \$110 million for the Trade Corridor Improvement Fund, \$200 million for the State Local Partnership Program, and \$170 million for Highway 99. (Amended 12/18/09)	Vetoed	
AB 109 (Feuer) Outdoor Advertising	Amends the Outdoor Advertising Act; prohibits an advertising display that is visible from a state, county or city highway from being constructed as, or converted, enhanced, improved, modified, modernized, or altered into a digital advertising display; prohibits an official highway changeable message sign from being constructed as or converted, enhanced, improved, modified, modernized, or altered into a digital advertising display for the purpose of displaying commercial messages. (Introduced 1/13/09)	Assembly	

Assembly Bills	Subject	Status	MTC Position
AB 112 (Beall) Santa Clara VTA: Authority to Repair and Maintain State Highways	Authorizes the Santa Clara Valley Transportation Authority to maintain transportation facilities, including state highways, necessary or convenient for vehicular and pedestrian transportation. (Introduced 1/13/09)	Assembly	
AB 116 (Beall) Bay Area Transportation Authorities: Lowest Bidder/Best Value Requirement	Requires certain purchases made by the Santa Clara Valley Transportation Authority, the San Mateo County Transit District, the Alameda-Contra Costa Transit District, or the Golden Gate Bridge, Highway and Transportation District to be let to the lowest responsible bidder or to the responsible bidder who submits a proposal that provides the best value. Requires the authority or district, and the Golden Gate Bridge, Highway and Transportation District to obtain a minimum of three quotations. (Introduced 1/13/09)	Assembly	
AB 144 (Ma) Parking Enforcement: Disabled Placards	Authorizes a local authority, by ordinance or resolution, to prohibit a vehicle for which the Department of Motor Vehicles' records indicate the disabled placard or license plate has been reported as lost, stolen, surrendered, canceled, revoked, or expired, or was issued to a person who has been reported deceased for a period exceeding 60 days from parking in a space designated for disabled persons. Requires a person convicted of parking in a space reserved for disabled persons or blocking access to those parking spaces to be punished by a fine of \$250 to \$750, regardless of whether the person previously had been convicted of the offense. (Introduced 1/22/09)	Assembly	
AB 153 (Ma) High Speed Rail Authority	Removes the requirement that the High Speed Rail Authority must obtain legislative approval for its plan to construct and operate a high speed train system and before it enters into contracts, acquire rights-of-way through purchase or eminent domain, issues debt, enters into joint development agreements, raises fares or relocates highways or utilities. (Introduced 1/23/09)	Assembly	
AB 177 (Price) Green Economy Inclusion Act	Enacts the Green Economy Inclusion Act of 2009. States the intent of the Legislature to enact legislation to ensure greater equity and inclusion of all Californians in the future of developing and implementing climate change, transportation, land use, and economic stimulus policies to reduce such emissions in the state. (Introduced 2/2/09)	Assembly	

Assembly Bills	Subject	Status	MTC Position
AB 254 (Jeffries) Emergency Vehicles: Payment of Tolls	Exempts drivers of emergency vehicles from the requirement to pay tolls or charges on a vehicular crossing or toll highway under certain circumstances, including when the vehicle is being driven in response to an emergency call or while engaged in rescue operations, as specified. (Introduced 2/11/09)	Assembly	
AB 266 (Carter) Transportation Needs Assessment	Requires the California Transportation Commission (CTC), with assistance from Caltrans, to assess unfunded costs of programmed state projects and federally earmarked projects in the state, as well as an assessment of available funding for transportation purposes and unmet transportation needs on a statewide basis every five years. Requires the CTC to submit the first assessment report to the Legislature by March 1, 2011. (Introduced 2/11/09)	Assembly	
AB 277 (Ammiano) Transportation and Use Taxes: Bay Area	Amends the Bay Area County Traffic and Transportation Funding Act to remove the option of specifying membership for the transportation authority in the retail transactions and use tax ordinance, thereby limiting governing board membership to elected officials who are specified in the county transportation expenditure plan. (Introduced 2/12/09)	Assembly	
AB 282 (Assembly Transportation Committee) Transportation Bonds	Omnibus committee bill, among other things, requires any interest or other return earned by a city or county from investment of bond funds received under these provisions to be expended or reimbursed under the same conditions as are applicable to the bond funds themselves. (Introduced 2/12/09)	Assembly	
AB 286 (Salas) Vehicle Registration Fees	Extends the statutory sunset on imposition of motor vehicle fees of \$1 and \$2 to fund local programs to prevent vehicle theft from 2010 until 2018. (Introduced 2/13/09)	Assembly	
AB 312 (Ammiano) BART: Office of Citizen Complaints	Requires the BART Board to create an Office of Citizen Complaints to investigate complaints and allegations of police misconduct by the BART police department. Provides for the nomination of the director of that office by the district attorneys of the Counties of Alameda, Contra Costa, and San Francisco, subject to confirmation by the board. (Introduced 2/17/09)	Assembly	

Assembly Bills	Subject	Status	MTC Position
AB 338 (Ma) Transit Village Developments	Recast the area included in a transit village plan to include all land within not more than 1/2 mile of the main entrance of a transit station. Eliminates current requirements for voter approval for the formation of an infrastructure financing district, adoption of an infrastructure financing plan, and an issuance of bonds for the purpose of developing and financing a transit facility, as defined. A transit village plan financed by these bonds would be required to include specified demonstrable public benefits regarding housing, replacement dwelling units at an affordable housing cost when specified dwelling units are destroyed or removed, and a provision that at least 20 percent of all revenues derived from the property tax increment be dedicated to increase, improve, and preserve the transit village district's supply of affordable housing, as defined. (Introduced 2/18/09)	Assembly	
AB 414 (Galgiani) Carl Moyer Air Quality Standards Program	Require the state Air Resources Board to develop and implement a trade-down program that provides assistance to owners of high-use, newer model, heavy-duty fleet vehicles to convert those vehicles for lower use, commercial operations in a manner that reduces emissions of oxides of nitrogen and particulate matter. Provides that the trade-down program would be eligible for funding under the Carl Moyer program as an eligible heavy-duty fleet modernization project if it meets a specified criterion. (Introduced 2/23/09)	Assembly	
AB 497 (Block) High-Occupancy Vehicle Lanes: Physicians	Permits a physician to travel in HOV lanes, when traveling in response to an emergency call, regardless of the number of occupants in the vehicle, if that physician displays the insigne approved by the Department of Motor Vehicles. (Introduced 2/24/09)	Assembly	
AB 507 (Arambula) Infrastructure and Economic Development Bank Act	Amends the Bergeson-Peace Infrastructure and Economic Development Bank Act. Requires a project selected to receive assistance from the bank to have economic development benefits and meet land use criteria, as determined by the bank. (Introduced 2/24/09)	Assembly	
AB 522 (Blumenfield) Transportation Bond Funds	Requires the Transportation Commission to ensure that bond funds previously committed to a project from the Highway Safety Traffic Reduction, Air Quality, and Port Security Fund of 1006 remain available to the sponsoring agency if funds from any federal economic recovery legislation are used to fund the project. (Introduced 2/25/09)	Assembly	

Assembly Bills	Subject	Status	MTC Position
AB 596 (Evans) Land-Use: Model-Home, Form-based Ordinances	Requires the Office of Planning and Research to develop an urban model home, form based ordinance and a rural model home, form based ordinance that a local agency can use as a planning tool to revitalize and preserve communities in compliance with smart growth principles. (Introduced 2/25/09)	Assembly	
AB 610 (Caballero) Local Infrastructure	Requires the Office of Planning and Research to advise and educate local agencies and other interested stakeholders about the role that public-private partnerships can play in planning, studying, designing, financing, constructing, operating, maintaining, or managing local infrastructure projects. (Introduced 2/25/09)	Assembly	
AB 619 (Blumenfield) Notification of Delay for Federally-Funded Projects	Requires the Department of Transportation to notify the Legislature when it is determined that a project, including a project designated in the National Corridor Infrastructure Improvement Program, will be delayed beyond its scheduled completion date due to state cash flow or other funding issues, if it places at risk federal funds. (Introduced 2/25/09)	Assembly	
AB 628 (Block) Pay-by-Plate Toll Collection Authorization	Authorizes California toll agencies, including the Bay Area Toll Authority, to collect tolls via digital camera images of license plates. (Introduced 2/25/09)	Assembly	
AB 652 (Skinner) Vehicle Length Limitations	Permits a folding device that extends not more than 40 inches from the front body of a bus or trolley when fully deployed and to permit the transportation of a bicycle with the handlebars that extend not more than 46 inches from the front of the vehicle. Requires that the total length of the bus, including the folding device or load, not to exceed 48.8 feet. (Introduced 2/25/09)	Assembly	
AB 670 (Berryhill) High-Occupancy Vehicle Lanes: Veterans	Authorizes exclusive or preferential use of high-occupancy vehicle lanes to be used by a vehicle driven by a veteran or active duty member of the U.S. Armed Forces, regardless of the number of passengers in the vehicle or type of vehicle, provided that the vehicle is driven by the veteran or active duty member and the vehicle displays an insigne approved by the Department of Motor Vehicles. (Introduced 2/25/09)	Assembly	

Assembly Bills	Subject	Status	MTC Position
AB 726 (Nielsen) Transportation Capital Improvements	States that local road rehabilitation projects are eligible for transportation capital improvement funds pursuant to the State Transportation Improvement Program. (Introduced 2/26/09)	Assembly	
AB 729 (Evans) Transit Design-Build Contracts	Deletes the repeal date of existing law authorizing transit operators to enter into a design-build contract according to specified procedures. (Introduced 2/26/09)	Assembly	
AB 732 (Jeffries) Transportation Projects	Extends the operative date of existing law which authorizes the Department of Transportation to conduct phase 2 of a pilot project through the utilization of design sequencing contracts for the design and construction of transportation projects, taking into consideration specified geographical consideration. (Introduced 2/26/09)	Assembly	
AB 733 (Galgiani) High-Speed Rail Authority	Authorizes the High Speed Rail Authority to consider the creation of jobs in the state when awarding major contracts or purchasing high speed trains, as specified. (Introduced 2/26/09)	Assembly	
AB 744 (Torrice) Bay Area High-Occupancy Transportation Network	Authorizes the Bay Area Toll Authority to acquire, construct, administer, and operate a value pricing high occupancy vehicle network program on state highways within the geographic jurisdiction of the metropolitan commission. Authorizes capital expenditures for this program to be funded from program revenues, revenue bonds, and revenue derived from tolls on state owned toll bridges. (Introduced 2/26/09)	Assembly	
AB 782 (Jeffries) Regional Transportation Plans: Sustainable Communities	Provides that upon the state Air Resources Board's acceptance that the sustainable communities strategy or an alternative planning strategy, if implemented, will achieve the greenhouse gas emissions reduction targets established by the board, that acceptance shall be final, and no person or entity may initiate or maintain any judicial proceeding to review the propriety of the state board's acceptance. Revises the Regional Targets Advisory Committee membership. Relates to exempted transportation projects. (Introduced 2/26/09)	Assembly	

Assembly Bills	Subject	Status	MTC Position
AB 798 (Nava) Transportation Financing Authority: Toll Facilities	Creates the Transportation Financing Authority with specified powers and duties relative to issuance of bonds to fund transportation projects to be backed, in whole or in part, by various revenue streams of transportation funds and toll revenues in order to increase the construction of new capacity or improvements for the state transportation system consistent with specified goals. (Introduced 2/26/09)	Assembly	
AB 859 (Jones) Smog Check Program: Annual Inspection	Requires that motor vehicles 15 years old or greater be subject to annual smog check inspection, rather than biennial. Requires funds generated through additional inspection fees to be deposited into the High Polluter Repair or Removal Account. Increases the amount of state smog check repair assistance and makes the repair assistance program only available to low income individuals. (Introduced 2/26/09)	Assembly	
AB 881 (Huffman) Sonoma County Transportation Authority: Greenhouse Gas Emissions	Broadens the powers and duties of the Sonoma County Transportation Authority to include responding to federal or state mandates related to climate change. (Introduced 2/26/09)	Assembly	
AB 892 (Furutani) Proposition 1B: Goods Movement Emission Reduction Program	Authorizes funds that were obligated for the \$1 billion Goods Movement Emission Reduction Program under Proposition 1B (2006) but are not expended prior to the 4-year limit for liquidation to be reallocated to other projects that were included in the original grant application or else returned to the Air Resources Board for distribution in a new competitive grant process. (Introduced 2/26/09)	Assembly	
AB 949 (Logue) Matching Funds for State Local Partnership Program	Removes the requirement that eligible matching taxes or fees for the State Local Partnership Program (funded by Proposition 1B) be voter-approved. Further broadens the eligible matching funds to include project-based developer fees (not just uniform) and mineral or resource extraction fees or taxes. (Introduced 2/26/09)	Assembly	
AB 1072 (Eng) Proposition 1B Transit Funds	Makes permanent the formula distribution for the transit funding under Proposition 1B which provides that funds are distributed to operators based on the proportional share of State Transit Assistance revenue-based funds that each received in FY 2004-05 through FY 2006-07. (Introduced 2/26/09)	Assembly	

Assembly Bills	Subject	Status	MTC Position
AB 1135 (Skinner) Vehicle Miles Traveled: Odometer Reporting Requirement	Requires a vehicle owner to report to the Department of Motor Vehicles their current odometer reading at the time of annual vehicle registration. Requires that the information be made available to the public, with the exception of the person's name. (Introduced 2/26/09)	Assembly	
AB 1158 (Hayashi) Transit Village Plan	Adds the characteristic of other land uses, including educational facilities that provide direct linkages for people traveling to and from primary and secondary education schools, community colleges, and universities, to the list of specified characteristics that a transit village plan may address. (Introduced 2/27/09)	Assembly	
AB 1175 (Torlakson) Toll Bridge Seismic Retrofit Program: Antioch & Dumbarton Bridges	Adds seismic safety improvement projects on the Antioch and Dumbarton Bridges to the Toll Bridge Seismic Retrofit Program and authorizes the Bay Area Toll Authority to raise bridge tolls to meet all costs necessary for this purpose. (Introduced 2/27/09)	Assembly	
AB 1186 (Blumenfield) Employee Parking	Requires that a property manager or owner of a commercial building that has a maximum occupancy of at least 50 people separately itemize the costs of parking from the rest of the lease for the purposes of broadening the number of employers subject to the state's existing parking cash-out law. (Introduced 2/27/09)	Assembly	
AB 1203 (Ma) Proposition 1B Transit Security Funds	Provides that the California Emergency Management Agency (Cal EMA) shall provide the State Controller with a list of the projects and sponsoring entities eligible to receive transit security grants. Require the Controller to then commence any action necessary to allocate the funds, including seeking the issuance of bonds for that purpose. (Introduced 2/27/09)	Assembly	
AB 1204 (Huber) Sustainable Communities Strategy	Allows any project (as opposed to specified residential or mixed-use projects allowed in current law) found to be consistent with the "use designation, density, building intensity, and applicable policies specified for the project area in the sustainable communities strategy or alternative planning strategy" to be exempt from the California Environmental Quality Act requirement to evaluate growth inducing impacts, project specific or cumulative impacts from cars and light-duty truck trips generated by the project on global warming or the regional transportation network, or lower density alternatives. (Introduced 2/27/09)	Assembly	

Assembly Bills	Subject	Status	MTC Position
AB 1212 (Ruskin) Feebate Program	Authorizes the State Air Resources Board (ARB) to adopt and implement a clean vehicle incentive, or rebate, program consisting of one-time rebates and one-time surcharges on sale of new passenger motor vehicles and a clean vehicle incentive program to achieve equivalent or greater emission reductions of greenhouse gases from mobile sources. Requires that the feebate program be established only if the ARB determines that it would be beneficial to achieving the greenhouse gas emission goals of the California Global Warming Solutions Act of 2006. (Introduced 2/27/09)	Assembly	
AB 1219 (Evans) Solano County: Transportation Development Act	Authorize the Solano County Transportation Authority to file a claim with the transportation planning agency for up to two percent of local transportation funds available to the county and city members of the authority for countywide transit planning and coordination relative to Solano County. Further authorizes Solano County Transportation Authority to be an eligible claimant for State Transit Assistance funds apportioned under the population formula, to be used for public transportation purposes, including countywide transit planning and coordination relative to Solano County. (Introduced 2/27/09)	Assembly	
AB 1321 (Eng) Strategic Growth Council	Requires the Strategic Growth Council to develop strategies that would allow for streamlined and effective mitigation of infrastructure projects. (Introduced 2/27/09)	Assembly	
AB 1342 (Evans) Local Taxes: Vehicle License Fee & Income Tax	Authorizes boards of supervisors to impose a personal income tax or vehicle license fee (not to exceed two percent) for local revenue purposes. (Introduced 2/27/09)	Assembly	

Assembly Bills	Subject	Status	MTC Position
AB 1375 (Galgiani) High-Speed Rail	Creates the Department of High-Speed Trains within the Business, Transportation and Housing Agency. Continues the High-Speed Rail Authority in existence to make policy decisions relative to implementation of high-speed rail consistent with Proposition 1A, but transfers certain of its roles to the new department. Specifies additional powers and duties of the authority and department relative to implementation of the high-speed rail project, including the annual submission of a 6-year high-speed train capital improvement program and progress report to the Legislature. The director of the department would be appointed by the authority, who would serve at the pleasure of the authority, and the Governor would be authorized to appoint up to 10 executive employees of the department who would be exempt from civil service and serve at the pleasure of the director. Provides for acquisition and disposition by the department of rights-of-way for the high-speed rail project. The bill would enact other related provisions. (Introduced 2/27/09)	Assembly	
AB 1381 (Perez) High Occupancy Toll Lanes: Los Angeles County	Requires the Los Angeles County Metropolitan Transportation Authority (LACMTA) HOT Lanes program to be implemented with the active participation of the Department of the California Highway Patrol. Establishes appropriate performance measures for the purpose of ensuring optimal use of the HOT Lanes without adversely affecting other traffic on the state highway system. Provides that authorization for this project shall not prevent the construction of competing facilities in the State Highway Route 10 or 110 corridors, and that LACMTA is not entitled to compensation for the adverse effects on toll revenue due to those facilities. (Introduced 2/27/09)	Assembly	
AB 1386 (Hayashi) State Highway Route 238: Use of Excess Property Sales	Modifies the restriction limiting use of revenues from excess property sales related to State Highway Route 238 to state highway purposes by authorizing those revenues to be used for <i>any</i> highway purpose. (Introduced 2/27/09)	Assembly	
AB 1464 (Smyth) Cycling Corridors of Significance	States the intent of the Legislature to designate portions of the state highway system as state cycling corridors of significance for the purpose of promoting increased awareness of, and safety for, cyclists. (Introduced 2/27/09)	Assembly
