ABSTRACT

Resolution No. 3881, Revised

This resolution adopts the FY 2009 through FY 2011 Program of Projects for MTC's Second-Cycle Lifeline Transportation Program, funded with State Transit Assistance (STA), Proposition 1B Transit and Job Access Reverse Commute (JARC) funds.

The evaluation criteria established in Resolution 3860 were used by the county entities administering the program to develop the program of projects.

The following attachments are provided with this resolution:

Attachment A — Second-Cycle Lifeline Transportation Program of Projects -  
FY 2009-2011

This resolution was revised on May 27, 2009 to amend Attachment A to incorporate changes to STA-funded projects based on STA reductions in the final FY 09 state budget, and adds two new projects – new transit and shuttle service in Napa County and a SamTrans bus purchase in San Mateo County.

Further discussion of this action is contained in both the MTC Executive Director's Memorandum to the Programming and Allocations Committee and the Programming and Allocations Committee summary sheet dated January 14, 2009 and May 13, 2009.
