Memorandum

TO: TransLink[®] Management Group (TMG)

DATE: July 29, 2009

RE: Transmittal of TransLink[®] Fare Media Transition Plans

For your review, please find included with this memo copies of the fare media transition plans received by me to date. These plans were submitted by AC Transit, Golden Gate Transit Bus and Ferry, SFMTA, and Caltrain pursuant to the request made by Mr. Nathaniel Ford, as Chair of the TMG, in his letter of June 12th. In that letter, Mr. Ford stated the members of the TMG would have an opportunity “to comment on each other’s plans” at a future TMG meeting; that opportunity will be at the August 3rd TMG meeting.

At the August 3rd meeting, it is anticipated agency staff will give brief overviews of their respective agency’s plan, followed by whatever question and answer and comment period the TMG members deem appropriate. Although BART’s fare media transition plan is not included with this memo, its plan will also be presented to the TMG on August 3rd.

Subsequent to the TMG meeting, MTC is scheduled to consider the plans at its September Commission meeting.
