**Subject:** [DLAWUA] Announcement: DLA-OB 09-06 - Use of ARRA Funding For Force Account Work

Announcement:

A new Office Bulletin (DLA-OB 09-06 - Use of ARRA Funding For Force Account Work) has been posted to the Local Assistance "Publications" website here: [http://www.dot.ca.gov/hq/LocalPrograms/DLA\\_OB/DLA\\_OB.htm](http://www.dot.ca.gov/hq/LocalPrograms/DLA_OB/DLA_OB.htm)

Change:

DLA-OB 09-06 precludes the use of Force Account work on ARRA (Recovery Act) projects with only rare exceptions, i.e. if the project cannot be competitively bid and force account is more cost effective, certain railroad work, and certain utility work; all exceptions require that documentation be submitted and upon approval placed on a web site.

Impacts:

This Office Bulletin is applicable to all Recovery Act funded projects.
