**Subject:** [DLAWUA] Announcement: Applications for Highway Safety Improvement Program (HSIP) Funding

Subject: Applications for Highway Safety Improvement Program (HSIP) Funding

NEW REQUIREMENT: If your agency is planning to submit one or more Highway Safety Improvement Program (HSIP) applications to Caltrans for the on-going Cycle 3 'call for projects', an electronic file of the Application Form is required. The electronic file should be copied onto a CD and submitted along with 2 hard copies of the entire application with attachments to your District Local Assistance Engineer by close of business on (or postmarked by) October 8, 2009. Attachments to the Application DO NOT have to be included on the CD, just the Application Form itself.

Contact your DLAE if you have questions or would prefer to email the document. The DLAE will provide you with an email address.

Visit the HSIP web site to apply for funding at <http://www.dot.ca.gov/hq/LocalPrograms/hsip.htm>
