W. I. 1132

RE: Contract Amendment: Legislative Representation in Sacramento: Carter, Wetch and Associates

On September 30, 2005, MTC issued a Request for Proposal (RFP) for assistance in providing the Commission with legislative advocacy services in Sacramento. This contract solicitation covered a six year period through October 31, 2011. A panel of three Commissioners and MTC staff recommended the selection of Carter, Wetch and Associates. The Commission authorized a contract in 2005 to fund the first two years of the contract, and exercised two one-year options in 2007 and 2008.

Staff now recommends exercising the option on the remaining two years and extending the contract through October 31, 2011, in an amount not to exceed \$111,600 per year. This amount has remained unchanged for the six years of the contract period.

Carter, Wetch and Associates have served the Commission very well the past four years. Each of the three members of the team, Scott Wetch, Duncan McFetridge, and Paul Bauer have been effective in Sacramento carrying out the Commission's agenda, while gaining an important appreciation of MTC's need to work in consensus and cooperation with a complex array of partner agencies.

Staff recommends that the Committee authorize the Executive Director or his designee to negotiate and enter into a two-year contract extension with Carter, Wetch and Associates, to provide legislative advocacy services on behalf of MTC, in an amount not to exceed \$111,600 per year, subject to necessary budget approvals for the second year of the extension. The Committee's approval would be subject to the approval of the contract amendment by the Administration Committee on October 14, 2009.
