Membership Request for Partnership Board

Dear Mr. Ramacier,

I am writing to request that the Marin County Transit District (Marin Transit) be considered for membership to the Partnership Board. Membership on the Board would create a valuable opportunity for Marin Transit to work with the other member agencies and to contribute to the region's efforts. Currently, the County of Marin is represented on the Board by the Transportation Authority of Marin (TAM). I believe Marin Transit, similar to other partnership members, would add value to the Board by representing local transit interests in Marin County.

Should you have any questions regarding this matter, please feel free to contact me at (415) 226-0864 or email me at drzepinski@co.marin.ca.us.

Thank you for your consideration and I look forward to hearing from you.
