RE: Contract – San Francisco-Oakland Bay Bridge (SFOBB) Toll Operations Building

At its April 14 meeting, this Committee approved award of the contract for construction of the SFOBB Toll Operations Building to Swinerton Builders, subject to staff's determination that Swinerton Builders was responsible and had submitted a responsive bid. Staff subsequently made the determination that Swinerton Builders was responsible and had submitted a responsive bid.

On April 16, 2010, BATA was served with a timely bid protest by Roebbelen Contracting, Inc., the third low bidder, claiming that the bids submitted by Swinerton Builders, the low bidder, and Alten Construction, Inc., the second low bidder, were non-responsive.

Staff will present a status report on the pending bid protest.
