- Notes:
- The amounts listed reflect the RM-2 base subsidy, with certain projects subject to a 1.5% annual escalation rate through FY 2007-08. Escalation was suspended starting in FY 2008-09 until RM2 BATA RM2 receipts surpass the amounts budgeted to fund the legislative operating projects.
  - Funding for Route 980 was granted an extension through FY 2011 after not meeting the RM2 performance standards. CCCTA must report to the Commission on the route's performance in December, 2010.
  - Marketing assistance programs are funded with RM2 toll revenue receipts pursuant to Streets and Highways Code 30914(f) and are outside of the 38% limit on operating funding as described in Streets and Highways Code 30914(d).
  - Added to the program on 6/23/10.
