RE: 2010 MTC Excellence in Motion Awards Program

As you know, MTC gives out awards on a biennial basis to recognize people and organizations that have made extraordinary contributions to the transportation system in the San Francisco Bay Area.

The 2010 MTC Awards Program got underway earlier this year with a call for nominations on March 13, 2010. Staff mailed postcards and sent an e-mail to the nearly 18,000 individuals in the MTC contact database, and the call for nominations was posted to the MTC Web site. The initial deadline of April 30 was extended to May 14, 2010, and in the end we received over 70 nominations.

The Awards jury will deliberate and select the awards winners in late July. The jury panel is made up of representatives from the Commission, staff, media and/or business, and the general public.

A ceremony honoring the winners will be held on October 27, prior to the Commission meeting, so mark your calendars. Staff is researching possible venues and will forward more information to you in September.
