## *Memorandum*

TO: BATA Oversight Committee

DATE: July 7, 2010

FR: Executive Director

RE: Funding Agreement – Extended and Emergency Services Provided During the October 2009 Emergency Closure of the Bay Bridge: Bay Area Rapid Transit (BART)

Staff requests the Committee to authorize the Executive Director to enter into a funding agreement with BART for the reimbursement of \$170,403 to compensate BART for services provided during the emergency closure of the San Francisco-Oakland Bay Bridge between October 27, 2009 through November 2, 2009.

### **Background**

On December 16, 2009, BATA authorized a revision to Resolution No. 86, Revised, which budgeted and allocated \$350,000 to reimburse transit operators for extra costs incurred during the unexpected closure of the Bay Bridge to install an eye bar repair in October 2009. The approval was part of the budgeting and allocation of \$14 million for the long term repair of the fractured eye-bar. When the authorization occurred, the amounts specific to each operator were not yet confirmed, so the amounts specified in each contract were not included in the memo to BATA. Within the approved action, BATA is providing \$170,403 in toll funds to BART for providing additional night and weekend service to San Francisco. The other operator reimbursements were below the Executive Director's delegated authority, so have already been executed.

### **Recommendation**

Staff requests the Committee to authorize the Executive Director to negotiate and enter into a funding agreement with BART for the reimbursement of \$170,403 to compensate BART for services provided during the emergency closure of the San Francisco-Oakland Bay Bridge.

REQUEST FOR COMMITTEE APPROVAL  
Summary of Proposed Funding Agreement

Work Item No.: 1514

Vendor: BART, Oakland, CA

Work Project Title: Extended and Emergency Services Provided During the October 2009 Emergency Closure of the Bay Bridge

Purpose of Project: Reimburse BART for providing additional transit capacity during the emergency closure of the San Francisco/Oakland Bay Bridge while the bridge was closed to all traffic from 7:00 PM, Tuesday, October 27 through Monday, November 2, 2009.

Project Cost Not to Exceed: Total Contract - \$170,403

Funding Source: FY 2009-10 Toll Bridge Rehabilitation Funds

Fiscal Impact: Project costs will be paid for with funds programmed and budgeted in the BATA Toll Bridge Rehabilitation Program.

Motion by Committee: That the Executive Director or his designee is authorized to negotiate and enter into a funding agreement with BART for reimbursement of transit service provided during the closure of the San Francisco/Oakland Bay Bridge to repair a fractured eye-bar, and the Chief Financial Officer is directed to set aside funds up to \$170,403 for such funding agreement.
