RE: Administrative Draft Conformity Analysis of the Transportation 2035 Plan and 2011 Transportation Improvement Program

MTC has prepared a conformity analysis to conform the Transportation 2035 Plan and 2011 Transportation Improvement Program (TIP) to the State Implementation Plan for the national ozone and carbon monoxide standards. We also conducted a Build/No Build test to demonstrate conformity with the national 24-hour fine particulate matter standard (PM_{2.5}). The administrative draft report is attached for the Air Quality Conformity Task Force's review and comment and discussion at the July 20, 2010 meeting.

The remaining key project milestones for the conformity analysis are shown in the table below:

Dates	Key Project Milestones
August 6, 2010	Release of Draft Conformity Analysis by MTC's Planning Committee for 30-day public review (close of comment period is September 10, 2010)
September 8, 2010	Public Hearing on Draft 2011 TIP and Conformity Analysis at MTC's Programming and Allocations Committee Meeting
September 28, 2010	Air Quality Conformity Task Force Meeting (<i>Agenda topic: Review Response to Comments & Proposed Final Conformity Analysis</i>)
October 13, 2010	Approval of Proposed Final 2011 TIP & Final Conformity Analysis by MTC's Programming and Allocations Committee
October 27, 2010	Approval of Proposed Final 2011 TIP & Final Conformity Analysis by Commission
October 29, 2010	Transmit Final Conformity Determination to FHWA/FTA for approval
