### *Memorandum*

TO: Policy Advisory Council

DATE: September 1, 2010

FR: Alix Bockelman, Director of Programming and Allocations

W.I. 1114

RE: 2011 Transportation Improvement Program (TIP) and Investment Analysis

The Draft 2011 TIP – along with the Draft Air Quality Conformity Analysis – was released for public review on August 6, 2010. A “Guide to the TIP” is attached to provide more background information. As a reminder, a public hearing on the Draft 2011 TIP will be held on Wednesday, September 8, 2010, at 10 a.m. in the MTC Auditorium. The close of comments is currently scheduled for Friday, September 10, 2010, at 5 p.m.; however, the close of comment period will be extended until September 30, 2010.

At your September 8<sup>th</sup> meeting, staff will present for your discussion and feedback a preliminary investment analysis of the 2011 TIP, with a focus on communities of concern. The analysis is intended to make more user-friendly investment data available to the Council and the public. It is also a follow-up to several Commission efforts such as the Environmental Justice Principles adopted in March 2006 and the more recent June 2010 Snapshot Analysis.

Further, staff will present and take additional comments on the investment analysis at the September 22<sup>nd</sup> Commission meeting. At its October 13<sup>th</sup> meeting, MTC’s Programming and Allocations Committee will consider public comments. MTC is scheduled to take action on the air quality conformity analysis and the 2011 TIP on October 27, 2010, during its regularly scheduled Commission meeting.
