RE: Proposed Final Air Quality Conformity Analysis for the Transportation 2035 Plan and 2011 Transportation Improvement Program

MTC staff is requesting the Air Quality Conformity Task Force's review of the Proposed Final Air Quality Conformity Analysis for the Transportation 2035 Plan and 2011 Transportation Improvement Program.

The Draft Conformity Analysis was released for a 55-day public review starting on August 6, 2010 and ending on September 30, 2010. MTC held two public hearings to receive comments on the Draft 2011 TIP and Draft Conformity Analysis. MTC received one comment letter, and has responded to comments raised in Section V of the proposed final report. No revisions to the Draft Conformity Analysis are needed in response to comments.

Next Steps

MTC staff will present the Proposed Final Conformity Analysis to the MTC Programming and Allocations Committee for its review and approval on October 13, 2010 and to the full Commission for final action on October 27, 2010.
