RE: FTA State of Good Repair Bus & Bus Facilities Grant Program Awards

On Monday, October 4, 2010, the Federal Transit Administration (FTA) announced the grant awards for the State of Good Repair Bus & Bus Facilities Grant program. Attachment A is a summary of the projects that received funding in comparison to those endorsed by MTC, (shown in the attachment as Tier 1). As shown, FTA recommended \$49 million for three out of nine projects recommended by MTC, roughly half of the total we recommended in terms of dollars. FTA also funded four projects totaling \$4.6 million that were submitted to FTA by transit operators but not included in MTC's Tier 1 list.
