RE: PM 2.5 Project Level Conformity – Exempt Projects Listing

Attached is a list of projects which were deemed exempt from PM_{2.5} project level conformity. These projects were classified exempt by MTC's Air Quality Module in the Fund Management System (FMS) based on responses provided by project sponsors on the projects. The listing illustrates the exemption for each project qualifying under per 40 CFR 93.126 through 40 CFR 93.128.

MTC requests the Air Quality Conformity Task Force to review the list of exempt projects for concurrence of exemption. Once MTC receives concurrence from the Task Force, MTC will complete the necessary steps to provide the project sponsor documentation that project level conformity process has been completed for the project. For any projects in the listing in need of more information to make a concurrence determination, please contact MTC staff person Grace Cho at gcho@mtc.ca.gov or at (510) 817-5826. Please provide the name of the project, the project sponsor, and the information needed from the project sponsor. MTC staff will contact and request the project sponsor furnish additional information.

If there are any questions, please contact Grace Cho at the contact information listed above.
