ABSTRACT

Resolution No. 3885, Revised

This resolution adopts the policy and programming for the American Recovery and Reinvestment Act (ARRA) Program. The policy contains the project categories that are to be funded with FY 2008-09 ARRA program funds for inclusion in the 2009 Transportation Improvement Program (TIP).

The resolution includes the following attachments:

- Attachment A - American Recovery and Reinvestment Act Policy and Programming
- Attachment B - Tier 1 Programming
- Attachment C - Tier 2 Programming

This resolution was revised on March 25, 2009 to make minor project modification as identified by the project sponsors, in particular, the federal agencies clarified that ADA operating expenses would be allowed for up to 10% of the funding so some changes take into account this added flexibility.

This resolution was revised on April 22, 2009 to make minor project modifications to local streets and roads projects identified by the project sponsors and to elevate the non-system preservation projects from Tier 2 to Tier 1 to allow programming these projects in the TIP (Attachments B-1 and B-2). The revision also made changes to several SFMTA projects in the transit system preservation category. Lastly, the Tier 2 streets and road system preservation contingency list (Attachment C-1) was superseded by Resolution No. 3896, which directed \$23 million to streets and road preservation projects, thereby meeting the Tier 2 commitments. Attachment C-1 is therefore no longer needed and is deleted.

This resolution was revised on May 27, 2009 to authorize the Executive Director or designee to revise Attachment B as necessary to reflect the programming of funds as projects are revised in the TIP.

This resolution was revised on July 22, 2009 to move \$70 million in funding for the Oakland Airport Connector non-system preservation project from Tier 2 to Tier 1, having confirmed that the project has met the specified conditions in the resolution.

ABSTRACT

MTC Resolution No. 3885, Revised

Page 2

This resolution was revised on December 16, 2009 to authorize staff to add any ARRA funds subject to redirection after December 31, 2009 to a prioritized list of projects at the Executive Director's discretion; to add new projects funded with cost savings from the ARRA Local Streets and Roads System Preservation Program as identified by the County CMAs; to direct unused program funds to a ready-to-go project in Marin county; to approve extensions on contract award and obligation deadlines for various projects; and make minor project modifications to the ARRA Public Transit System Preservation Projects program as identified by the project sponsors.

MTC approved Resolution 3942 on January 27, 2010, to revise this resolution effective February 17, 2010, to move \$70 million in ARRA Transit Capital Assistance funding from the Oakland Airport Connector non-system preservation project to the Tier 2 system preservation projects. This amendment shall not take effect if FTA approves BART's action plan for Title VI compliance by February 16, 2010.

This resolution was revised on April 28, 2010 to authorize staff to add any ARRA funds subject to redirection after June 30, 2010 to a prioritized list of projects at the Executive Director's discretion; to add and revise projects funded with cost savings from the ARRA Local Streets and Roads System Preservation Program as identified by the County CMAs; to direct already identified regional savings to specific regional projects; and make project modifications to the ARRA Public Transit System Preservation Projects program as identified by the project sponsors.

This resolution was revised on October 27, 2010 to confirm the final prioritized list of projects and funding amounts to reflect final ARRA cost savings through September 30, 2010, and to amend the ARRA transit program for Santa Clara VTA.

Further discussion of the American Recovery and Reinvestment Act Program is contained in the MTC Executive Director's Memorandum to the Programming and Allocations Committee dated February 11, 2009, the Deputy Executive Director Memorandum to the Commission dated February 25, 2009, the Executive Director Memorandum to the Commission dated March 25, 2009, and January 26, 2010, the Deputy Executive Director Memoranda to the Commission dated July 8, 2009, and the Programming and Allocations Committee Summary sheets dated April 8, 2009, May 13, 2009, July 8, 2009, December 9, 2009, April 14, 2010 and October 13, 2010.

WHEREAS, MTC is the designated Metropolitan Planning Organization for the nine-county San Francisco Bay Area region (the region) and is required to prepare and endorse a Transportation Improvement Program (TIP) which includes a list of American Recovery and Reinvestment Act of 2009 (ARRA) funded projects; and

WHEREAS, MTC developed and endorsed a set of Economic Recovery Principles in December 2008; and

WHEREAS, MTC took into consideration the Economic Recovery Principles, Transportation 2030 policies, and investment decisions going into Transportation 2035 to develop a proposed set of projects and program investment areas to be funded with American Recovery and Reinvestment Act Funds, as set forth in Attachment A of this Resolution, incorporated herein as though set forth at length;

WHEREAS, MTC is mindful of the timely use of funds established in the ARRA and has included in Attachment A regional delivery deadlines in advance of the federal deadlines and provisions to quickly redirect any funds from projects not meeting the deadlines to ensure that no funds are lost to the region; and

WHEREAS, using the principles and procedures and criteria set forth in Attachment A of this Resolution, MTC, in cooperation with the Bay Area Partnership, developed a program of projects to be funded with federal Surface Transportation Program and Federal Transit Administration formula funds in the ARRA for inclusion in the federal Transportation Improvement Program (TIP); and

WHEREAS the 2009 TIP will be subject to public review and comment; and

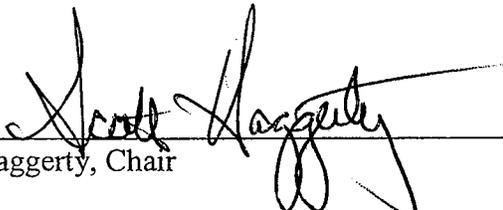

WHEREAS, MTC has identified a set of Tier 2 projects that still need to meet policy and funding agreements set forth in Attachment A as well as a contingency list of projects that could use ARRA funds if projects identified in Attachment B are not able to proceed, as set forth in Attachment C of this Resolution, incorporated herein as though set forth at length; now therefore be it

RESOLVED that MTC approves the policies and programming for the American Recovery and Reinvestment Act, as set forth in Attachments A, B, and C of this Resolution; and be it further

RESOLVED that projects in Attachment B will be amended into in the 2009 TIP, subject to the final federal approval of the amendment; and be it further
