RE: SCS/RTP Performance Targets – Staff Recommendation

At your December meeting, staff presented the draft recommendation for performance targets for the Sustainable Communities Strategy/Regional Transportation Plan. Staff subsequently presented the recommendation as an information item at the December 10, 2010 joint meeting of the MTC Planning Committee, ABAG Administration Committee and Joint Policy Committee. The staff memo and presentation from that meeting are available at: <http://apps.mtc.ca.gov/events/agendaView.akt?p=1586>.

Staff is revising the performance targets recommendation to respond to comments and questions received in December. Staff will attend your January 12 meeting to discuss the revised recommendation that will be presented at the January 14, 2011 joint meeting of the MTC Planning Committee, ABAG Administration Committee and Joint Policy Committee. Staff will distribute the revised recommendation to you via e-mail once it is completed.

The ABAG Executive Board and MTC are scheduled to adopt the performance targets on January 20 and January 26, respectively.
