Please find attached for receipt the BATA financial statements for the six months ending December 2010. Major highlights of this statement include:

- (1) **Revenues:** Toll revenue for the current six months includes carpool revenue of \$7,620,438. The toll revenue is slightly higher than the budget to date. Also, BATA has received \$16,269,663 in subsidy payments from the U.S. government to offset the interest expense for the Build America Bonds. BATA has revenue of \$571,420 from Sunol Smart Joint Powers Authority to reimburse for startup costs for the implementation of the Express Lanes on Interstate 680 in Alameda.
- (2) **Caltrans Revenue:** Caltrans paid \$153,000,000 for their annual payment for the State Payment Acceleration Notes (SPAN) in December and these funds were transferred to the Bay Area Infrastructure Financing Authority.
- (3) **Transfers to MTC:** A payment of \$506,986,537 was transferred to MTC. This payment represents transit transfers for the next 50 years. They include transfers to the following funds: AB664, 90% Bay Bridge Rail Reserves, and 2% transit transfers.
- (4) **FasTrak<sup>®</sup>** usage remains at an all time high of 58% of all paid bridge traffic. Most of this increase comes from carpoolers getting their tags.
