RE: BATA Financial Statements – February 2011

Please find attached for receipt the BATA financial statements for the eight months of FY 2010-11 ending February 2011. Major highlights of this statement include:

- (1) **Revenues:** Toll revenue for the current eight months includes carpool revenue of \$9,946,243. The toll revenue is slightly higher than the budget to date. Also, BATA has received \$30,517,988 in subsidy payments from the U.S. government to offset the interest expense for the Build America Bonds. BATA has revenue of \$571,420 from Sunol Smart Joint Powers Authority to reimburse for startup costs for the implementation of the Express Lanes on Interstate 680 in Alameda.
- (2) **FasTrak<sup>®</sup>** usage remains at an all time high of 60 % of all paid bridge traffic. Most of this increase comes from carpoolers getting their tags.
