Item Number 2j

Resolution No. 3914, Revised

Subject: Proposed allocation of \$26.4 million in AB 1171 funds for the I-80 Eastbound Cordelia Truck Scales Relocation project in Solano County.

Background: The Solano Transportation Authority requests allocation of \$26.4 million in AB 1171 funds for the construction of the I-80 Eastbound Cordelia Truck Scales Relocation project in Solano County. The project has about \$50 million in bridge toll funds (Regional Measure 2 and AB 1171 funds) programmed to it, with another \$50 million of Proposition 1B Trade Corridor Improvement Fund (TCIF) funds. STA is requesting allocation of the TCIF funds at the June meeting of the California Transportation Commission (CTC). The CTC may substitute State Highway Operations and Protection Program (SHOPP) funds for TCIF funds.

The overall Solano I-80 projects have \$100 million in Regional Measure 2 funds and \$100 million in AB 1171 funds programmed, for a total of \$200 million in bridge toll funds. After this allocation, approximately \$129 million will be allocated, leaving \$71 million in unallocated bridge toll funds.

The project is expected to be advertised in July, and the construction contract awarded in September. Construction is anticipated to be completed in December 2013.

Issues: The allocation is contingent upon the allocation of TCIF or SHOPP funds by the CTC at the June 2011 meeting, and requires the execution of a funding agreement before any funds can be reimbursed.

Recommendation: Refer MTC Resolution No. 3914, Revised to the Commission for approval.
