RE: PM_{2.5} Project Conformity Interagency Consultation

Below is a list of project sponsors who completed the initial steps of the project level conformity process and now seek interagency consultation from the Air Quality Conformity Task Force to determine whether their projects are deemed a Project of Air Quality Concern.

| No. | Project Sponsor | Project Title |
|-----|---|--|
| 1 | Solano Transportation Authority (STA) | Redwood Parkway – Fairgrounds Drive Improvements |
| 2 | Transportation Authority of Marin (TAM) | Highway 101 Greenbrae/Twin Cities Corridor Improvement Project |

Attachment A includes descriptions of the above projects and their corresponding project assessment forms.

Additionally, MTC requests the review and concurrence from the Air Quality Conformity Task Force on a set of projects that project sponsors have identified as exempt and likely not to be a POAQC. **Attachment B** lists these exempt projects.
