Resolution No. 3881, Revised

Subject: Revisions to the Second Cycle Lifeline Program of Projects, MTC Resolution No. 3881, Revised

In July 2008, MTC adopted Resolution No. 3860, which established guidelines and a fund estimate for the Second-Cycle Lifeline Transportation Program for the three-year period FY2009-11. The Lifeline Program is intended to result in improved mobility for low-income residents of the Bay Area, and is administered by the Congestion Management Agencies. The Second-Cycle program is funded by State Transit Assistance (STA), Proposition 1B Transit funds, and federal Job Access and Reverse Commute (JARC) funds. Each county received a funding target based on the county's share of the region's total population below the poverty level. In January 2009, MTC adopted Resolution 3881, which approved the Tier 1 Program of Projects based on locally prioritized projects in each county. MTC approved the Tier 2 projects in December 2009.

This item makes three minor revisions to the adopted program of projects for the Second-Cycle. The revisions include:

1. Increasing Small Urbanized Area (UA) JARC amounts for Napa and Sonoma counties. In July 2011, Caltrans added funding to two projects, so that Caltrans-administered Small UA JARC funds now total \$135,000 for NCTPA's Agricultural Worker Vanpool program and \$201,150 for Petaluma Transit's Routes 1, 2, and 3 service project.
2. Refining the project description for Santa Clara County's Outreach Family Transportation Program project to provide a clearer explanation of this program.
3. Correcting programmed JARC amounts for two Santa Clara County projects that were previously adopted by the Commission in May 2011. JARC funds total \$473,450 for Outreach's Family Transportation Services program and \$339,739 for Peninsula Family Service's Ways to Work Family Loan Program.

ABSTRACT

Resolution No. 3881, Revised

This resolution adopts the FY 2009 through FY 2011 Program of Projects for MTC's Second-Cycle Lifeline Transportation Program, funded with State Transit Assistance (STA), Proposition 1B Transit and Job Access Reverse Commute (JARC) funds.

The evaluation criteria established in Resolution 3860 were used by the county entities administering the program to develop the program of projects.

The following attachments are provided with this resolution:

Attachment A — Second-Cycle Lifeline Transportation Program of Projects -
FY2009-2011

This resolution was revised on May 27, 2009 to amend Attachment A to incorporate changes to STA-funded projects based on STA reductions in the final FY2009 state budget, and adds two new projects – new transit and shuttle service in Napa County and a SamTrans bus purchase in San Mateo County.

This resolution was revised on October 28, 2009 to amend Attachment A to revise and add STA funds to the Balboa Park Station entrance project in San Francisco County and to incorporate Proposition 1B-funded projects in Santa Clara County.

This resolution was revised December 16, 2009 to add the Tier 2 program of projects.

This resolution was revised February 24, 2010, to revise funding amounts of Tier 2 Proposition 1B-funded projects to reflect actual state appropriations for FY2009-10 and to add four new Tier 2 projects in San Mateo County.

This resolution was revised April 28, 2010, to add Tier 2 funds to three existing projects and one new project in San Francisco County and to three existing projects in Santa Clara County.

This resolution was revised July 28, 2010, to adjust previously awarded Tier 2 JARC funding amounts based on federal FY2010 appropriations, add five new JARC-funded projects selected by Caltrans in small urbanized areas, and reprogram Tier 2 STA funds in San Mateo County following the discontinuation of the Family Service Agency's Transportation Reimbursement Independence Program.

This resolution was revised on May 25, 2011 to approve new Santa Clara County Lifeline Transportation Program projects.

This resolution was revised on November 16, 2011 to amend Attachment A to make corrections to the FY2005-06 through FY2007-08 Lifeline Transportation program of projects.

Further discussion of this action is contained in both the MTC Executive Director's Memorandum to the Programming and Allocations Committee and the Programming and Allocations Committee summary sheet dated January 14, 2009, May 13, 2009, October 14, 2009, December 9, 2009, February 10, 2010, April 14, 2010, July 14, 2010, May 11, 2011, and November 9, 2011.
