RE: OneBayArea Grant Proposal Update

At the August 10, 2011 Policy Advisory Council meeting, MTC staff presented the OneBayArea Grant proposal that was released for public review by the Joint Planning Committee/ABAG Administrative Committee at its July 8, 2011 meeting. For the past several months, MTC has received feedback and comments on the initial proposal. Staff will present comments received to date and some proposed policy revisions at your January 11, 2012 meeting and at the January 13, 2012 Joint Planning Committee/ABAG Administrative Committee meeting.

In terms of next steps following the January presentations, staff will revise the draft proposal based on direction from the Joint Planning Committee/ABAG Administrative Committee and will present a final draft in March, with the objective of seeking Commission approval in May. Staff will continue to accept comments on the OneBayArea Grant proposal until its anticipated adoption in May 2012.

Because the Policy Advisory Council meeting occurs prior to the Joint Planning Committee meeting in January, the packet materials will not be available at the time of the mailing of your packet. However, the materials for the January 13, 2012 joint meeting of the MTC Planning Committee and ABAG Administrative Committee are expected to be mailed on Friday, January 6, and MTC staff will distribute them to the Policy Advisory Council via email at that time.
