State Assembly Bills

AB 16	Perea	High-Speed Rail Authority	12/6/2010	Senate Floor	Requires the authority to make every effort to purchase high-speed train rolling stock and related equipment that are manufactured in California, consistent with federal and state laws.	
AB 41	Hill	High-Speed Rail Authority: Disqualification for Conflict of Interest	Amended 3/29/2012	Senate Floor	Would add members of the High-Speed Rail Authority to those specified officers who must publicly identify a financial interest giving rise to a conflict of interest or potential conflict of interest, and recuse themselves accordingly. Prohibits authority board members from "ex parte communication," defined as oral or written communication between a member of the authority and an interested person, about a matter within the authority's jurisdiction that does not occur in a public hearing, workshop, or other official proceeding, or on the official record of the proceeding on the matter, or is disclosed in public. Includes a representative acting on behalf of a regional or local agency in the definition of an "interested person." Provides that the agency overseeing the authority (not specified) shall be responsible for enforcing the bill's provisions.	
AB 57	Beall	MTC Board Structure	Amended 3/5/2012	Senate Transportation & Housing Committee	Adds two new seats to MTC's board, including one member appointed by the Mayor of the City of Oakland and one member appointed by the Mayor of the City of San Jose. Requires the initial term of those 2 members to end in February 2015. Effective with the commission term commencing February 2015, prohibits more than 3 members of the commission from being residents of the same county. <i>Specifies that the Bay Conservation and Development Commission seat shall be a BCDC member who resides in San Francisco and is approved by the Mayor of San Francisco.</i>	Sponsor

AB 145	Galgiani	High-speed Rail	Amended 7/13/2011	Senate Appropriations	Repeals the California High-Speed Rail Act, establishing a new Act in its place. Places the High-Speed Rail Authority within the Business, Transportation & Housing Agency. Authorizes the Governor to appoint an executive director and up to six additional staff.	
AB 294	Portantino	Transportation Projects: Procurement	Amended 8/31/2011	Senate Appropriations Committee	Requires the Department of Transportation to use department employees or consultants under contract with the department to perform all project development services and preparation of documents and construction inspection services, for design sequencing projects and projects approved by the California by SB 4 (Cogdill, 2009), Streets & Highways Code 143 (public-private partnerships authorization).	
AB 343	Atkins	Redevelopment Plans: Environmental Goals	Amended 6/14/2011	Senate Governance and Finance Committee	Requires each redevelopment plan to consider and identify strategies for how redevelopment projects will help attain the climate, air quality, and energy conservation goals or applicable regional greenhouse gas emission reduction targets.	
AB 345	Atkins	Traffic Control Devices: Consultation	Amended 6/20/2011	Senate Appropriations Committee	Requires Caltrans to establish an advisory committee for the purpose of developing its traffic control devices and requires that such committee include representatives recommended by the Active Transportation and Livable Communities Committee established by Caltrans.	Support
AB 441	Monning	Health and Health Equity: Regional Transportation Plans	Amended 1/23/12	Senate Transportation and Housing Committee	Requires the California Transportation Commission, to include voluntary health and health equity factors, strategies, objectives, and goals in the next set of guidelines developed for regional transportation plans.

AB 485	Ma	Infrastructure Financing	Amended 6/29/2011	Senate Inactive File	Eliminates the requirement of voter approval for the adoption of an infrastructure financing plan, the creation of an infrastructure financing district, and the issuance of bonds. Requires a city or county that uses infrastructure financing district bonds for a transit village to use at least 20 percent of the revenue for the purposes of increasing, improving, and preserving the supply of lower and moderate-income housing. States the intent of the Legislature that the development of transit village development districts meets or exceed the requirements of the California Green Building Standards Code. If a special district providing fire protection services would be affected by the tax diversion, requires approval by district's board.	Support
AB 492	Galgiani	High Speed Rail; Consideration of California Jobs When Awarding Contracts	Amended 6/27/2011	Senate Rules Committee	Authorizes the High Speed Rail Authority to consider, to the extent permitted by federal and state law, the creation of jobs and participation by small business enterprises in California when awarding major contracts or purchasing high-speed trains.	
AB 710	Skinner	Transit Oriented Development: Reform of Parking Requirements	Amended 8/18/2011	Senate Floor	Prohibits a city or county from requiring more than one parking space per residential unit and more than one parking space per 1,000 square feet of commercial or other nonresidential space for a residential or mixed-use residential project located in a transit intensive area-unless the local agency has determined a shortage of parking availability, as specified. Exempts projects that are: 1) restricted to a floor area ratio below 0.75; 2) rent controlled; 3) affordable restricted deed properties; or areas within a specific plan area adopted prior to 2012 with offstreet parking requirements set at a lower rate within the plan area than parking requirements in the same jurisdiction outside a transit intensive area.	Support

Bill Number	Author	Topic	Date	Status	Summary	MTC Position
AB 819	Wieckowski	Bikeways	Amended 3/31/11	Senate Transportation & Housing Committee	Creates a new Class IV bikeway category to include a segregated bike lane which provides for exclusive use of bicycles, demarcated by either a physical barrier or distinct paint markings.	Support
AB 845	Ma	High Speed Rail Connectivity Funds	Amended 5/10/2011	Senate Transportation & Housing Committee	Codifies the existing California Transportation Commission guidelines for this program, including that the funding share for each eligible commuter and urban rail recipient be based on the 2007 data in the Federal Transit Administration's National Transit Database.	Support
AB 890	Olsen	CEQA Exemption for Specified Roadway Projects in Existing Right- of-Way	Amended 1/13/2012	Senate Rules Committee	Would exempt from the California Environmental Quality Act (CEQA) projects initiated by a city or a county to repair, maintain or make minor alterations to an existing roadway that are all of the following: 1) designed to improve public safety, do not cross a waterway; and 3) the project involves negligible or no expansion of existing uses.	
AB 1092	Lowenthal	High Speed Rail Authority: Report Requirements	2/18/2011	Senate Rules Committee	Requires the authority to report biannually to the Legislature beginning March 1, 2012, on the status of the project, including overall progress, the project budget, expenditures to date, a comparison of the current and project work schedule and the baseline schedule contained in the 2009 business plan, and project milestones.	
AB 1229	Feuer	Federal Highway Grant Anticipation Notes (GARVEE bonds)	Amended 6/21/2011	Senate Appropriations Committee	Raises the maximum share of the state's federal funds that may be spent on debt service for GARVEE bonds from 15% to 25%. Reserves 40 percent of that amount for projects proposed by transportation planning agencies, subject to the approval of the California Transportation Commission and notification to Caltrans and the Treasurer. Limits annual debt service to 50 percent of a transportation planning agency's federal apportionment from regional Surface Transportation Program and Congestion Mitigation & Air Quality funds.

AB 1444	Feuer	California Environmental Quality Act (CEQA): Expedited Judicial Review: Public Transit Projects Record of Proceedings	Introduced 1/4/2012	Assembly	States the intent of the Legislature to enact legislation to provide the judicial expediting provisions related to CEQA that were included in AB 900 (Buchanan), enacted last year, for new public rail transit infrastructure projects. <i>Requires the lead agency to prepare or cause to be prepared a record of proceedings of the environmental review at the request of the project sponsor and upon agreement of the project sponsor to cover the cost.</i>	
AB 1446	Feuer	Los Angeles Metropolitan Transportation Authority (LA Metro): Sales Tax Extension	Amended 3/29/2012	Assembly Local Government Committee	Authorizes LA Metro to seek voter approval to extend its sales tax indefinitely. beyond the allowable 30 years. Requires LA Metro to use proceeds from an extension to accelerate the completion of certain projects and programs and to amend its expenditure plan in a specified manner.	
AB 1448	Furutani	Home to School Transportation: Appropriation	Amended 3/19/2012	Assembly Education Committee	Provides that the Legislature shall not reduce funding for Home to School transportation below the level provided in the FY 2011-12 state budget. Restores \$248 million in funding for home to school transportation for the FY 2011-12 budget. Funding in the same amount was eliminated by the Department of Finance last year. Urgency statute.	
AB 1455	Harkey	High-Speed Rail	Amended 2/9/2012	Assembly Transportation Committee	Reduces the amount of general obligation debt authorized pursuant to Proposition 1A to the amount contracted as of January 1, 2013. Specifies that this provision does not apply to the \$950 million that was authorized for intercity and commuter rail connectivity improvements.	

Bill Number	Author	Topic	Date	Status	Summary	MTC Position
AB 1523	Perea	High Speed Rail: Apprenticeship Program	Introduced 1/18/2012	Assembly Transportation Committee	Appropriates \$2 million from the High-Speed Passenger Train Bond Fund to the High-Speed Rail Authority to fund a 3-year pilot project in the Central Valley to train unemployed workers for high-speed rail construction jobs. Requires the authority to work with various labor organizations to train a total of 400 clients in pre-apprenticeship programs that will lead to direct referrals to building trades unions.	
AB 1532	Perez	Cap-and-Trade Revenues: Transportation	Introduced 1/23/2012	Assembly Natural Resources Committee	Creates the Greenhouse Gas Reduction Account for cap-and-trade revenue and requires funds to be spent on measures and programs that reduce greenhouse gas emissions, including low-carbon transportation and sustainable infrastructure development, including transportation and housing.	
AB 1535	Halderman	Highway Signs: HOV Lanes	Amended 3/14/2012	Assembly Transportation Committee	Requires that the department of transportation or a local authority, when replacing signs designating high-occupancy vehicle (HOV) lane use in an area that permits motorcycles to use those lanes, to include language on the new sign stating that motorcycles are permitted in the HOV lanes.	
AB 1570	Perea	CEQA: Record of Proceedings	Introduced 2/1/2012	Assembly Natural Resources Committee	Requires that the lead agency for CEQA review prepare a record of proceedings concurrent with the administrative process. Requires that the lead agency make all documents that are part of the CEQA review available to the public in an electronic format.	

Bill Number	Author	Topic	Date	Status	Summary	MTC Position
AB 1572	Fletcher	San Diego Service Authorities for Freeway Emergencies (SAFE)	Introduced 2/2/2012	Assembly Transportation Committee	Suspends the collection of the \$1 vehicle registration fee that is collected in San Diego county for the purpose of operating its call box program and other freeway aid services, including freeway service patrol, until January 2016. Limits reserves that the SAFE may hold to \$4 million and requires funds in excess of that amount to be redistributed to the cities in proportion to their contribution to be spent on public safety programs. Requires the SAFE to develop a plan regarding its long-term existence by 2016. If the plan is rejected by the San Diego County City Selection Committee, the authority shall be dissolved and its responsibilities will be transferred to the San Diego Association of Governments. Halts the authority's role in marketing of 511, requiring it to instead contract with SANDAG for such purpose.	
AB 1574	Galgiani	High Speed Rail	Introduced 2/9/2012	Assembly Transportation Committee	Repeals the California High Speed Rail Act and replaces it with a new act, which continues the High-Speed Rail Authority in existence with limited responsibilities and operating within the Business Transportation and Housing Agency. The five members of the authority appointed by the Governor would be subject to Senate confirmation, but existing members could continue to serve the remainder of their terms. The bill would authorize the authority to appoint an executive director, and would provide for the Governor to appoint up to six additional individuals exempt from civil service as authority staff.	

Bill Number	Author	Topic	Date	Status	Summary	MTC Position
AB 1627	Dickinson	Healthy Neighborhoods Act: Vehicle Miles Traveled Building Standards	Introduced 2/9/2012	Assembly	Requires the Energy Commission to prescribe, by regulation, standards for reducing vehicle miles traveled by occupants of a building that would be applicable to new residential and nonresidential buildings and modification of existing residential and nonresidential buildings. Requires the commission to publish the standards, upon adoption, in the energy conservation manual. Prohibits a local building department from issuing a building permit for a residential or nonresidential building unless the department confirms that the building plan complies with the standards. Because a local building department would be required to confirm that a building plan complies with the vehicle miles traveled standards, this bill would impose a state-mandated local program. Authorizes a city, county, or city and county to prescribe, by ordinance or resolution, a schedule of fees sufficient to cover the costs incurred in the enforcement of these standards.	
AB 1645	Norby	State Highways: Naming and Designation	Introduced 2/13/2012	Assembly Transportation Committee	Transfers the authority for naming highways, bridges, pathways, and other transportation infrastructure from the Legislature to the California Transportation Commission.	
AB 1722	Alejo	Changeable Message Signs	Introduced 2/16/2012	Assembly	Requires Caltrans to update its policies prior to June 30, 2013, to permit local transportation agencies to display specified messages on changeable roadside message signs related to the following: (1) Safety messages. (2) Transportation-related messages. (3) Reminders to register to vote. (4) Reminders to vote as elections approach.

AB 1768	Davis	Vehicle Registration Fees: Vehicle Theft Crime Prosecution & Deterrent	Introduced 2/17/2012		Authorizes a county board of supervisors to impose a \$3 fee on the registration of motor vehicles (as an alternative to the \$1 already authorized) for the purpose of funding programs that enhance the capacity of local police and prosecutors to deter, investigate, and prosecute vehicle theft crimes.	
AB 1770	Lowenthal	California Transportation Financing Authority (CTFA): Rolling Stock	Introduced 2/17/2012	Assembly	Broadens the definition of a rail project that can be funded through the CTFA to include "rolling stock" and allows an eligible project to be owned <u>or</u> operated by the project sponsor.	
AB 1780	Bonilla	Project Study Reports	Amended 3/29/2012	Assembly Transportation Committee	<i>Requires the Department of Transportation to cover the cost of reviewing and approving a project study report (PSR) that was prepared by an outside entity for any project on the state highway system that is included in a regional transportation plan or a voter approved expenditure plan. For other projects, requires the cost of review and approval to be paid for by the entity that requests it. If the department determines it cannot prepare a PSR or "equivalent planning document," in a timely manner, authorizes the local agency to do so at its own expense. Requires continuous dialogue between the department and the project sponsor during development of a PSR or equivalent planning document. Spot bill dealing with Project Study Reports (PSR).</i>	

Bill Number	Author	Topic	Date	Status	Summary	MTC Position
AB 1890	Solorio	Motorcycles: Electronic Toll Payment	Amended 3/28/2012	Assembly Transportation Committee	Requires a motorcyclist who uses a transponder or other electronic device to enter a toll highway to use one of four methods: (1) place a transponder in his/her pocket; (2) place transponder in cycle net; (3) mount transponder on license plate device provided by toll operator or (4) keep transponder in glove compartment or (5) mount the transponder on the windshield.	
AB 1989	Carter	Surcharge on New Bicycles for State Parks	Amended 3/20/2012	Assembly	Imposes a \$2 surcharge on the purchase of every new bicycle for the purpose of pay for the maintenance of bicycle trails and paths within units of the state park system, the maintenance of signage with respect to those trails and paths, and the maintenance of related bicycle facilities within units of the state park system assisting state park bicycle facilities. <i>Requires the Board of Equalization administer the fee. Requires the bicycle retailers subject to the fee submit specified paperwork.</i> Urgency statute.	
AB 2053	Allen	BART: Post-Employment Health Benefits	Introduced 2/24/2012	Assembly	Authorizes the San Francisco Bay Area Rapid Transit District to make contributions for postretirement health benefits for members of the district board of directors, the districts' unrepresented employees, and for any unit of employees whose terms and conditions of employment are determined through collective bargaining.	
AB 2163	Knight	CEQA: Judicial Review	Introduced 2/23/2012	Assembly	Deletes the requirement that projects be located on an infill site in order to qualify for expedited judicial review under CEQA, as enacted in AB 900 (2011).	
AB 2173	Skinner	MTC: Regional Gas Tax	Introduced 2/23/2012	Assembly Transportation Committee	Revises MTC's existing regional gas tax enabling statute to allow the commission to submit the proposed ballot measure to voters of one or more counties within the 9-county region rather than to all counties. Makes other minor amendments.	Sponsor

AB 2200	Ma	High-Occupancy Vehicle Lanes	Amended 3/29/2012	Assembly	<i>Modifies the occupancy requirement on Interstate 80 from 3+ to 2+ subject to the change being consistent with the State Implementation Plan and federal law. Spot bill related to HOV lanes.</i>	
AB 2404	Fuentes	Cap and Trade: Local Emission Reduction Fund	Introduced 2/24/2012	Assembly	Creates the Local Emission Reduction Fund and require moneys collected under the state's cap-and-trade program for greenhouse gas emissions are deposited in that fund. Provides that the moneys in that fund be available, upon appropriation by the Legislature, for award to specified local governmental entities for purposes specified by the state board.	
AB 2405	Blumenfield	Toll Exemptions: Low Emission Vehicles	Introduced 2/24/2012	Assembly	Exempts a vehicle that meets California's enhanced AT PZEV standard (which in near term will be limited to the plug-in Toyota Prius and the low emission version of the Chevy Volt) from toll charges imposed on single-occupant vehicles in lanes designated for tolls unless prohibited by federal law.	
AB 2433	Hill	San Francisco Water Emergency Transportation Authority: Staggered Board Member Terms	Amended 3/29/2012	Assembly	States the intent of the Legislature to enact legislation- <i>Provides that the next terms of the Water Emergency Transportation Authority shall be split between 4-year and six-year terms in order to create staggered terms for the members of the board of directors of WETA. Thereafter, all members shall serve 6-year terms.</i>	
AB 2498	Gordon	Construction Manager/ General Contractor Method	Introduced 2/24/2012	Assembly	Authorizes Caltrans to engage in a Construction Manager General Contractor project delivery method, as specified, for projects for the construction of a highway, bridge, or tunnel.
