RE: PM_{2.5} Project Conformity Interagency Consultation - Revised

One project sponsor seeks interagency consultation from the Air Quality Conformity Task Force at this time, as follows:

No.	Project Sponsor	Project Title
1	Water Emergency Transportation Authority (WETA)	New Ferry Service from Berkeley/Albany to San Francisco

Attachment A includes the above projects assessment form.

Additionally, MTC requests the review and concurrence from the Task Force on a set of projects that project sponsors have identified as exempt and likely not to be a POAQC.

Attachment B lists these exempt projects.
