Memorandum

TO: BATA Oversight Committee

DATE: July 3, 2012

FR: Executive Director

W. I. 1251

RE: Contract Amendment –San Mateo-Hayward Bridge Girder Replacement Project – Hill International, Inc. (\$130,000)

Background:

In January 2011, after a competitive procurement, the BATA Oversight Committee authorized the Executive Director to enter into contracts with eleven firms, including Hill International, to provide on-call construction management services.

In late 2010 during a routine bridge inspection, Caltrans discovered and made a temporary repair to crack in a steel girder. In March 2011, Caltrans awarded a construction contract to permanently replace the damage girder. The contract is currently scheduling two full weekend closures of the San Mateo-Hayward Bridge in October to install girders.

Currently, Hill International Inc., provides construction management services which include scheduling support for the San Mateo-Hayward Bridge Girder Replacement Project. Staff is requesting to add an additional \$130,000 in budgeted toll funds for Hill International Inc., to provide additional schedule and construction management support services for the project.

Scheduling and construction management support tasks include developing internal schedules for comparative analysis as well as reviewing and commenting on construction contractor's submitted schedules.

Recommendation

Staff recommends that the Committee authorize the Executive Director or his designee to negotiate and enter into a contract amendment with Hill International Inc., for construction management and schedule support services for the San Mateo-Hayward Bridge Girder Replacement Project, in an amount not to exceed \$130,000.

Steve Heminger

REQUEST FOR COMMITTEE APPROVAL
Summary of Proposed Contract Amendment

Work Item No.: 1251

Vendor: Hill International, Inc.
San Ramon, CA

Work Project Title: On-Call Contract Construction Management Services: San Mateo-Hayward Bridge Girder Replacement Project

Purpose of Project: To provide staffing to provide construction management services and scheduling support to San Mateo-Hayward Bridge Girder Replacement Project which includes replacing two spans of the San Mateo-Hayward Bridge. .

Brief Scope of Work: The project provides additional construction management and schedule support services for the San Mateo-Hayward Bridge Girder replacement Project.

Project Cost Not to Exceed: This Amendment - \$130,000. (Current contract - \$100,000; maximum contract amount after this amendment \$230,000.)

Funding Source: \$130,000 – Toll Bridge Rehabilitation Program Funds

Fiscal Impact: Project costs are consistent with funds budgeted in the program budget.

Motion by Committee: That the Executive Director or his designee is authorized to negotiate and enter into a contract amendment with Hill International, Inc., to provide additional construction management and scheduling support services for the San Mateo-Hayward Bridge Girder Replacement Project, and the Chief Financial Officer is directed to set aside funds in an amount up to \$130,000 for such contract amendment.
