Subject: [DLAWUA] State-legislated Safe Routes to School (SR2S) Program New Program Delivery Status Reports

Announcement: A New Quarterly Program Status Report and the SR2S Program Delivery Requirements has been posted to the Local Assistance website
at: http://www.dot.ca.gov/hq/LocalPrograms/saferoutes/sr2s_delivery_status.htm

Change: The Department of Transportation (Caltrans) is now requiring local agencies to meet specific delivery timelines for the state-legislated SR2S Program.

Impacts: Agencies with existing SR2S projects that are not meeting these timelines during a future funding cycle will not be able to compete for additional funds until their projects are back on schedule.

Contact: Questions or comments regarding this change should be directed to the District Local Assistance Engineer.
