DATE: November 19, 2012

FR: Brenda Dix

W. I.

RE: PM<sub>2.5</sub> Project Conformity Interagency Consultation

Five project sponsors seeks interagency consultation from the Air Quality Conformity Task Force at this time, as follows:

No.	Project Sponsor	Project Title
1	Brentwood	John Muir Parkway Extension Phase II
2	City of Vacaville	Vacaville Intermodal Station Parking Structure
3	Sonoma Marin Area Rail Transit (SMART)	Sonoma Marin Area Rail Corridor
4	Contra Costa Transportation Authority (CCTA)	I-680 Southbound HOV Lane Gap Closure
5	Santa Clara Valley Transportation Authority (VTA)	US 101 Express Lane Project

**Attachment A** includes the above project assessment forms.

In the event that Project 5, VTA's US 101 Express Lane Project, is determined to be a POAQC **Attachment B** includes a hot spot analysis for this project. The sponsor requests that this hot spot analysis be reviewed concurrently with the project assessment form to ensure that the project completes the project level air quality conformity requirements at the December 6<sup>th</sup> meeting.

Additionally, MTC requests the review and concurrence from the Task Force on a set of projects that project sponsors have identified as exempt and likely not to be a POAQC. **Attachment C** lists these exempt projects.
