## *Memorandum*

TO: BATA Oversight Committee

DATE: December 5, 2012

FR: Executive Director

W. I. 1251

RE: Contract Amendment - On-Call Construction Management Services – San Francisco - Oakland Bay Bridge Toll Plaza Renovation Project: AECOM Technical Services, Inc. (\$200,000)

This item would authorize the Executive Director or his designee to amend the contract with AECOM Technical Services, Inc. (AECOM) for on-call construction management consultant services for the San Francisco-Oakland Bay Bridge (SFOBB) Toll Plaza Renovation Project in an amount not to exceed \$200,000.

### **Background**

In January 2011, after a competitive procurement, this Committee authorized the Executive Director to enter into contracts with six firms, including AECOM, to provide construction management services.

In May 2012, BATA initiated an \$800,000 On Call Contract with AECOM for construction management services for the SFOBB Toll Plaza Renovation Project. Project scope includes renovating the existing SFOBB Toll Plaza canopy, painting the toll booths, performing roadway rehabilitation, and replacing toll booth crash attenuators. In August 2012 the contract was amended to add an additional \$50,000 for inspecting the crash cushion.

The renovation of the SFOBB Toll Plaza is currently in construction, in anticipation of the opening of the new East Span of the SFOBB in September 2013.

The construction contractor, ProVen Management Inc., will be working multiple shifts to complete the project. The contract amendment would allow for an additional AECOM construction inspector to inspect and provide quality assurance over the contractor's work.

### **Recommendation**

Staff recommends that the Committee authorize the Executive Director or his designee to negotiate and enter into a contract amendment with AECOM for on-call construction management consultant services for the San Francisco-Oakland Bay Bridge Toll Plaza Renovation Project in an amount not to exceed \$200,000.

REQUEST FOR COMMITTEE APPROVAL  
Summary of Proposed Contract Amendment

Work Item No.: 1251

Vendor: AECOM Technical Services, Inc.  
Oakland, CA

Work Project Title: On-Call Project Construction Management Services: SFOBB Toll Plaza Renovation

Purpose of Project: To provide staffing to perform construction management for SFOBB Toll Plaza Renovation project.

Brief Scope of Work: Consultant shall perform construction management services in accordance with Caltrans Construction Manual and Caltrans Standard Specifications and Plans for the Toll Plaza Renovation project at the San Francisco-Oakland Bay Bridge (SFOBB)

Project Cost Not to Exceed: \$200,000 (this amendment)  
(Current contract =- \$850,000. Maximum contract amount after this amendment = \$1,050,000)

Funding Source: Toll Bridge Rehabilitation Funds

Fiscal Impact: Funds are included in the program budget for FY 2012-13

Motion by Committee: That the Executive Director or his designee is authorized to negotiate and enter into a contract amendment with AECOM Technical Services, Inc. to perform construction management services for the SFOBB Toll Plaza Renovation project, and the Chief Financial Officer is directed to set aside funds in an amount up to \$200,000 for such contract amendment.
