Memorandum

TO: Commission

DATE: January 16, 2013

FR: Deputy Executive Director, Policy

RE: FY 2012-13 and FY 2013-14 Transit Capital Priorities and Transit Capital Rehabilitation Policy and Programs

The Programming and Allocations Committee met on January 9th and referred to the Commission for approval MTC Resolution Nos. 4035, Revised, 4072, Revised and 4084. Commissioner Spering asked that staff meet with the Solano County transit operators between the Committee and Commission meetings to hear their concerns about the programming of funds for bus replacement. Staff will meet with the operators on Thursday, January 17th and will report to the Commission on the outcome of the meeting and, as necessary, any recommended changes to the attached Resolutions.

The attached Resolution No. 4084 includes one minor technical revision made after the Committee meeting to correct an error in the amounts programmed for two SolTrans projects in the FY 2013-14 program, with no net change in the total program amount.
