Item Number 2e

MTC Resolution No. 4048, Revised

Subject: FY2012-13 FTA Non-urbanized Area Formula (Section 5311) Program Revisions

Background: The Federal Transit Administration (FTA) Non-urbanized Area Formula Program (Section 5311) makes funding available to each state for public transportation projects in non-urbanized areas.

MTC annually develops a regional Program of Projects for submittal to Caltrans. Caltrans then submits a statewide program to FTA for approval. Per Commission policy, MTC's objective is to program capital and operating funds to maintain needed transit services in the rural areas of the MTC region.

Funding Availability

Caltrans recently released the FY2012-13 Section 5311 Non-urbanized Area Call for Projects. MTC has approximately \$2.0 million available for programming in FY2012-13.

Programming Process

In January 2012, MTC developed a two-year (FY2011-12 and FY2012-13) program of projects in accordance with MTC Resolution No. 4036, which states that the region's Section 5311 funds will be distributed to transit operators using a formula based on non-urbanized area population and non-urbanized area route miles.

Consistent with MTC's Section 5311 Funding Objectives and Criteria, staff is now proposing to adjust the FY2012-13 program based on the available revenues. The actual amount of FY2012-13 funds available (\$2.0 million) exceeds the estimate used to develop the program in January 2012 (\$1.2 million). The primary reason for the increase is that under the new federal surface transportation authorization (MAP-21), the Job Access and Reverse Commute (JARC) program was eliminated as a stand-alone program and incorporated into the broader Section 5311 Non-urbanized Area Formula Program, making job access and reverse commute projects eligible activities under the program.

Recommended Program of Projects

MTC staff conferred with the project sponsors to determine how to program the additional FY2012-13 funds. Most operators are receiving FY2012-13 funds for operating support, and elected to apply the additional funds to the same operating projects.

The table below summarizes the proposed programming changes.

Sponsoring Agency	Project	FY13 5311 amount	
		Original	Revised
LAVTA	Routes 2, 11, 12, 20	\$ 42,727	\$ 70,431
Marin Transit	West Marin Stagecoach	\$ 160,834	\$ 265,119
NCTPA	Northern Napa County	\$ 184,074	\$ 303,427
SamTrans	Coastside Demand Response and Rt. 17	\$ 121,939	\$ 201,004
Solano Transportation Authority	Projects TBD	\$ 295,392	\$ 486,924
Sonoma County Transit	Replacement Vehicles (Two 30' CNG Buses)	\$ 320,054	\$ 527,578
VTA	Route 68	\$ 109,449	\$ 180,416
Total		\$ 1,234,469	\$ 2,034,899

Issues: Per the request of the Solano Transportation Authority (STA), MTC provides a target programming amount for all of Solano County. STA is still in the process of developing a program for FY2012-13. Staff expects to provide recommendations on the Solano County programming at the Committee meeting.

Recommendation: Refer MTC Resolution No. 4048, Revised to the Commission for approval.
