RE: Draft Coordinated Public Transit–Human Services Transportation Plan Update (MTC Resolution No. 4085): Revisions to Draft after Programming and Allocations Committee on March 6

As noted in the Committee Summary Sheet of the Draft Coordinated Public Transit—Human Services Transportation Plan (Draft Plan), the two-month public comment period closed on March 8, after the Draft Plan was presented to the Programming and Allocations Committee on March 6. As appropriate, revisions have been made to the Draft Plan to reflect comments received, and to incorporate input provided to staff from MTC's February 27<sup>th</sup> Mobility Management Summit.

All public comments received on the Draft Plan are included as Attachment 1. The new comments, received since the Committee mailing are highlighted starting on page eight of Attachment 1.
