

40 CFR 93.126 Exempt Projects List

County	TIP ID	Sponsor	Project Name	Project Description	Expanded Description	Project Type under 40 CFR 93.126
CC	CC-050030	CC County	Contra Costa County Vasco Road Safety Improvements	Contra Costa County: Vasco Rd from Walnut Blvd to the Alameda/Contra Costa County line: Road improvements including concrete median, pavement widening as necessary and other straightening, including Brushy Creek area. Project is constructed in phases.	The project consists of construction of safety improvements to Vasco Road, a designated inter-regional route and future SR 84 in the County of Contra Costa. The project limits include Vasco Road from Walnut Boulevard to the Alameda/Contra Costa County line. The improvements include adding a concrete median barrier along the corridor with pavement widening as necessary, lengthening the 4-lane section of Vasco Road at the Camino Diablo intersection to provide passing zones in both directions and to provide accel./decel. lanes onto Vasco Road from Camino Diablo, and widening Vasco Rd to 4-lanes and installing a barrier to provide passing lanes in both directions in the Brushy Creek area (1.6 mi). This project implements the first phase of these improvements. This project will be constructed in phases. First phase completed, second phase to be completed when there is adequate funding.	Safety - Guardrails, median barriers, crash cushions
