		revitalization financing districts.			of "communitywide significance" with a useful life of 15 years or longer, including highway, interchange, ramps and bridges, arterials streets, parking facilities and transit facilities, among other categories. Would allow an IFRD to be authorized by board action of a city council or board of supervisor, but would subject any bonds to a 55% vote of the people.	
AB 266	Blumenfield	HOV Lanes: Clean Air Vehicle Sticker Program	Enacted: 8/19/2013	Enacted, Chapter 405, Statutes of 2013	Would extend the Clean Air Vehicle Sticker program, which allows certain low-emission, hybrid, or alternative fuel vehicles not carrying the requisite number of passengers access to carpool lanes from January 1, 2015 to January 1, 2019 for specified vehicles. Double joined to SB 286.	
AB 278	Gatto	California Global Warming Solutions Act of 2006: Low Carbon Fuel Standard.	Amended: 9/3/2013	2-year bill	Would require the State Air Resources Board, in promulgating regulations or other policies for purposes of the carbon intensity of fuels to consider specified food-supply sustainability factors. Requires the ARB, no later than December 2014, to include mechanisms and policies that favor fuels with the lowest possible negative effect on the food supply sustainability factors and give preference to fuels produced without food stock or displacement of food crops.	
AB 302	Chau	Public works: public subsidies.	Amended: 6/17/2013	Senate Appropriations Committee	Current law defines "public works" to include construction, alteration, demolition, installation, or repair work done under contract and paid for, in whole or in part, out of public funds, but exempts an otherwise private development project if the state or political subdivision provides a public subsidy to a private project that is de minimis in the context of the project. This bill provides that a public subsidy is de minimis if it is less than \$10,000 and less than 1% of the total project cost. Exempts projects that were advertised or awarded prior to January 1, 2014.	
AB 359	Holden	Vehicle rental agreements: customer facility charge	Enacted: 10/4/2013	Enacted, Chapter 549, Statutes of 2013	Current law authorizes a company that rents passenger vehicles to the public to collect a customer facility charge which is required not to exceed the reasonable costs, determined based on an independent audit, to finance, design, and construct those facilities. This bill would limit a triennial audit requirement to instances when the customer facility charge is used to operate a common-use transportation system or acquire vehicles for that system.

Requires the Office of Planning and Research to post the notices on a publicly available online database for at least 30 days.	
AB 401	Daly	Design-Build Contracting Method	Enacted 10/5/2013	Enacted, Chapter 586, Statutes of 2013	Authorizes the Department of Transportation to utilize design-build procurement for up to 10 projects on the state highway system, based on either best value or lowest responsible bid. Authorizes regional transportation agencies, as defined, to utilize design-build procurement for projects on or adjacent to the state highway system or on expressways that are not on the state highway system.	
AB 416	Gordon	California Air Resources Board: Local Emission Reduction Program.	Amended 4/4/2013	2-year bill	Creates the Local Emission Reduction Program and would require money to be available from the general fund, upon appropriation by the Legislature, for purposes of providing grants and other financial assistance to develop and implement greenhouse gas emissions reduction projects in the state. Requires the State Air Resources Board, in coordination with the Strategic Growth Council, to administer the program. Requires ARB to develop standards and guidelines for distribution of funds. Specifies that implementation of the bill's provisions shall be contingent upon appropriation by the Legislature.	
AB 417	Frazier	California Environmental Quality Act: bicycle transportation plan.	Enacted: 10/7/2013	Enacted, Chapter 613, Statutes of 2013	Would, until January 1, 2018, exempt from the California Environmental Quality Act a bicycle transportation plan for an urbanized area, as specified, and would also require a local agency that determines that the bicycle transportation plan is exempt under this provision and approves or determines to carry out that project, to file notice of the determination with the county clerk.-Provides that an assessment of traffic and safety impacts of a bike lane project is not required if measures to mitigate the impacts are identified in an environmental impact report, negative declaration, or mitigated negative declaration.	
AB 431	Mullin	Sustainable Communities Strategy: Regional Sales Tax County Employees	Amended 9/12/2013	2-year bill	Authorizes metropolitan planning organizations to place on the ballot within any of the counties in their jurisdiction a regional sales tax at a rate no higher than 0.5% to fund affordable housing, transportation improvements and open

SB 230	Knight	Local transportation funds: performance audits	Amended 3/18/2013	2-year bill	The Transportation Development Act requires the transportation planning agency to designate entities other than itself, a county transportation commission, a transit development board, or an operator to make a performance audit of its activities and the activities of each operator to whom it allocates funds. The act requires the transportation planning agency to consult with the entity to be audited prior to designating the entity to make the performance audit and defines "operating cost" for this purpose. This bill would correct an obsolete cross-reference in this definition and exclude principal and interest payments on all capital projects funded with certificates of participation.	
SB 257	Hancock	Coastal Resources: Physical Adaptations to Climate Change	Introduced 1/13/2013	2-year bill	Declares intent of the Legislature to enact legislation to address the issue of coastal physical adaptations to climate change.	
SB 279	Hancock	S.F. Bay Restoration Authority	Amended 8/26/2013	Enacted, Chapter 414, Statutes of 2013	Provides new procedural requirements applicable to a ballot measure authorizing a special tax for the S.F. Bay Restoration Authority for the restoration, enhancement, protection, and enjoyment of wetlands and wildlife habitat in the San Francisco Bay and along its shoreline. Provides legislative intent to address the unique procedural and financial barriers faced by the authority in proposing a special tax measure for a large, multi county jurisdiction in a special election. Requires that the authority reimburse every county for the incremental cost of placing the measure on the ballot.	
SB 286	Yee	High Occupancy Vehicle Lanes: Clean Air Vehicle Stickers	Enacted 9/28/2013	Enacted, Chapter 414, Statutes of 2013	Extends the sunset date for provisions in state law allowing certain zero emission and very low emission vehicles access to high-occupancy vehicle lanes as a single occupant from January 1, 2015 to January 1, 2019 or until federal authorization expires, whichever occurs first. Expands the existing "green" sticker program to allow vehicles meeting the state's "transitional zero emission vehicles" or TZEV standard to also qualify. Double-joined to AB 266.	
SB 391	DeSaulnier	California Homes and Jobs Act of 2013.	Amended 8/8/2013	Assembly Appropriations Committee;	Would enact the California Homes and Jobs Act of 2013. The bill would impose a fee, except as provided, of \$75 to be paid at the time of the recording of every real estate	Support

				suspense file 2-year bill	instrument, paper, or notice required or permitted by law to be recorded. The bill would require that revenues from this fee be sent quarterly to the Department of Housing and Community Development (HCD) for deposit in the California Homes and Jobs Trust Fund, which the bill would create within the State Treasury. The bill would provide that moneys in the fund may be expended for supporting affordable housing, administering housing programs, and the cost of periodic audits, as specified. The bill would impose certain auditing and reporting requirements. Requires the Department of Industrial Relations to monitor and enforce prevailing wage requirements for construction contracts for public works projects costing over \$1 million, funded in whole or in part by the fee. Requires HCD to develop and submit to the Legislature California Homes and Jobs Trust Fund Investment Strategy to be updated every five years. Urgency statute.	
SB 408	De León	Transportation funds.	Introduced: 2/20/2013	2-year bill	Current law establishes a policy for expenditure of certain state and federal funds available to the state for transportation purposes. Under this policy, the Department of Transportation and the California Transportation Commission develop a fund estimate of available funds for purposes of adopting the state transportation improvement program, which is a listing of capital improvement projects. This bill would provide that the remaining funds are available for the study of, and development and implementation of, capital improvement projects.	
SB 423	Huff	Bay Area Rapid Transit District: Prohibition on Strikes	Amended 9/12/2013	Senate Rules Committee	Prohibits public sector transit agency employees from striking if a clause prohibiting striking had been agreed to in an expired or previously written labor contract.	
SB 425	DeSaulnier	Public Works: Peer Review	Enacted 9/6/2013	Enacted, Chapter 252, Statutes of 2013	Allows an administering agency overseeing a public works project to establish a peer review group. Sets requirements applicable to a peer review group related to public information and access to information about the peer review group.	
SB 454	Corbett	Air resources: electric vehicle charging stations	Enacted 9/28/2013	Enacted, Chapter 418, Statutes of 2013	Provides that persons desiring to use an electric vehicle charging station shall not be required to pay a subscription fee in order to use the station, and shall not
