RE: 2014 Draft Advocacy Program

The Draft Advocacy Program for the 2014 state and federal legislative sessions is attached for your review and comment. The program includes efforts MTC will spearhead, as well as a number of items that MTC will actively engage in as bills are introduced.

As part of our consultation and advisory process, MTC hosted a meeting of Bay Area transit and CMA legislative staff in October and MTC's Policy Advisory Council will have an opportunity to review the draft program at their November 13th meeting. The final Legislative Program will return to the Legislation Committee in December, before going to the full Commission for approval that month.
