2011-13 Construction Management/ Design Services Projects(CM/DS)

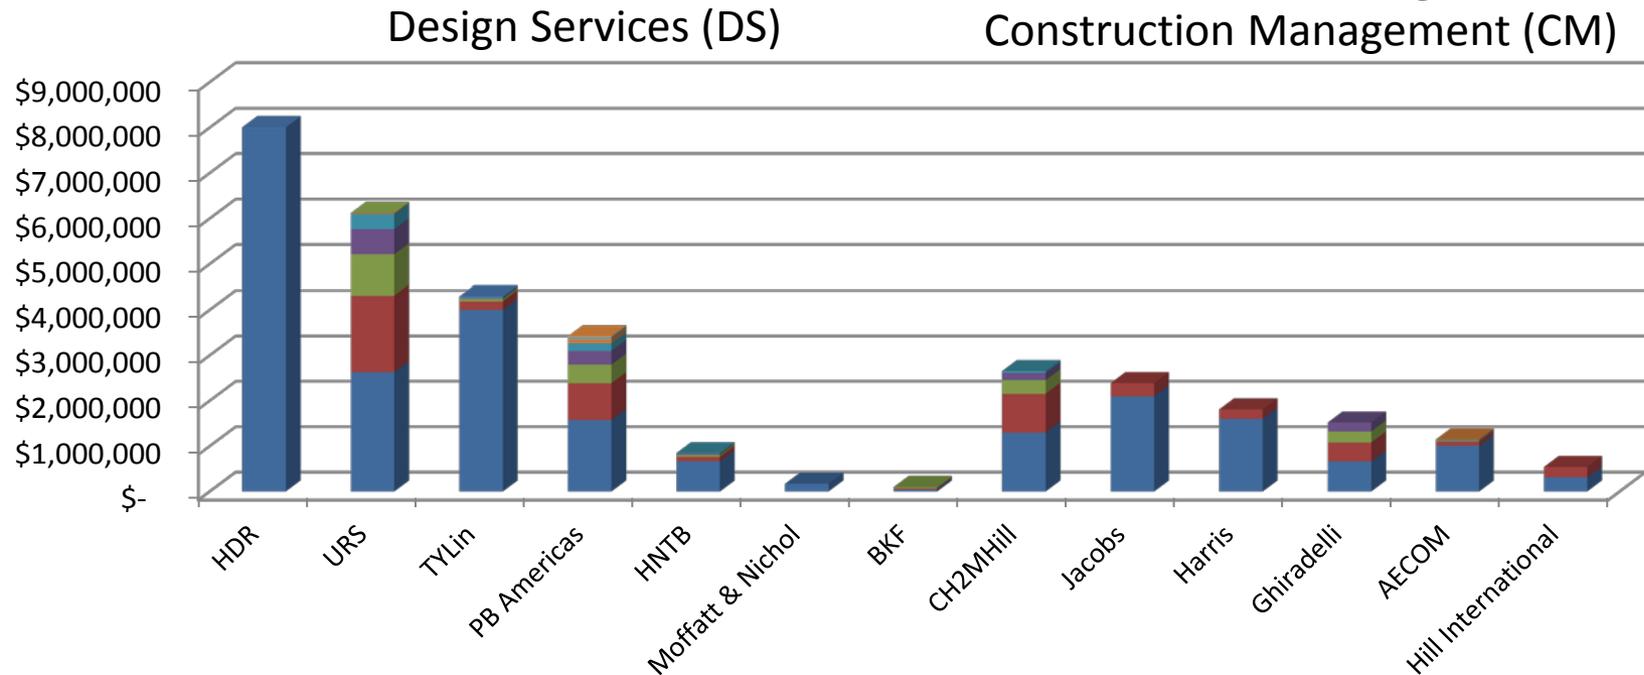

2011-2013 CM/DS Projects

- The 2011-2013 CM/DS On-Call Bench was utilized on 56 small to large scale projects for BATA, MTC, BAIFA, BAHA and SAFE that ranged from \$8 million to \$8 thousand.
- Projects included work on the Regional Express Lanes, 375 Beale, Toll Plaza and FasTrak Improvements, and Ramp Meter Repairs.

2011-2013 CM/DS Firms and Projects

- Generally, consultant selection based on qualifications, price, and capacity to perform the work.
- Federally-funded projects must have qualifications-based selection.
- Being on the bench does not guarantee work.
- 13 of 14 bench firms were issued project task order.
