

Metropolitan Transportation Commission Programming and Allocations Committee

December 10, 2014

Item Number 3b

Resolution Nos. 4035, Revised, 4084, Revised, 4162, 4163, and 4165.

- Subject:** FY2014-15 Transit Capital Priorities (TCP) and AB 664 Bridge Toll Revenues Preliminary Programs, and Revisions to FY2012-13 and FY2013-14 TCP Programs.
- Background:** This item programs roughly \$404 million in Federal Transit Administration Sections 5307, 5337, and 5339 funds, Cycle 2 Surface Transportation Program funds, and AB664 Bridge Toll Funds to support transit capital replacement and rehabilitation projects, and maintenance and operating costs in FY2014-15. This item also programs \$11.1 million in FY2012-13 and FY2013-14 FTA funds that were previously reserved for Caltrain electrification to Caltrain bridge replacement projects.
- Issues:**
- Preliminary Program Shortfall. Staff initially planned to develop a two-year program for FY2014-15 and FY2015-16. However, funding requests from transit operators exceeded the projected funding levels by \$220 million. The shortfall was the result of a combination of several major vehicle replacement projects coinciding with a reduction in projected federal funding. Staff elected to propose a one-year program for FY2014-15 and resolved the first year shortfall by deferring programming for fixed guideway infrastructure projects and the BART Car Replacement to future years. These program elements are discussed further below. Staff will return with a proposed program for FY2015-16 next year.
 - Uncertainty of Funding Reauthorization: Congress has not yet enacted a surface transportation bill to replace MAP-21 which expires in May 2015, so the amount of funding available for the FY2014-15 TCP program is currently unknown. Both Plan Bay Area and the Core Capacity Challenge Grant (CCCG) program assumed an average of 3% annual increase in TCP funds. Based on Congress's short-term extension of MAP-21 at FY2013-14 funding levels, staff conservatively assumed no growth in funding in the FY2014-15 preliminary program. The proposed TCP program also assumes that the next authorization will maintain the FTA program structure and requirements established by MAP-21 and preceding authorizations. If the reauthorization makes changes to FTA provisions that affect the regional policy or the program, staff will return to the Commission with proposed amendments to the policy and program. The preliminary program will also be revised after Congress adopts FY2014-15 appropriations and FTA apportions the funds to the region's urbanized areas.
 - Unexpended Prior-Year Grants. Most operators have prior-year FTA grants that have not yet been expended, with the balance for TCP grants totaling roughly \$1 billion. The balances may have legitimate reasons, such as the need to stockpile funds to award a major contract, or multi-year construction schedules, but may also indicate that additional project funding is not needed at this time. The TCP policy ties new programming to the expenditure of prior year grants in order to direct the region's limited federal funds to those projects most in need of additional funding. Grants for fixed guideway infrastructure projects, such as track and train control system rehabilitation, are the primary concern; grants for vehicle replacements are usually spent in a timely manner. The shortfall in the preliminary FY2014-15 TCP program was addressed in part by deferring programming for fixed guideway infrastructure projects using a formula based on unexpended grant balances, in addition to voluntary deferrals.

For the FY2015-16 program, staff proposes to set a target for spending of prior-year grant balances over the next year for each fixed guideway operator equal to 1/3 of older (2012 or earlier) grant balances. If the target is met, staff will propose to program the full amounts specified for the operator in the TCP policy. If the target is not met, staff will propose to defer fixed guideway funding based on grant balances as in FY2014-15. BART staff expressed concern with BART's ability to meet the target and the impact of deferrals on rehabilitation projects. However, BART has a grant balance of approximately \$364 million.

4. Major Vehicle Replacement Projects. The proposed program includes funding for several major vehicle replacement projects, including BART and Caltrain railcars, and bus replacements for SFMTA and AC Transit that were included in the Core Capacity Challenge Grant Program (CCCGP, MTC Resolution No. 4123). Proposed programming for the BART Car Replacement project was reduced from \$75 million to \$53 million to help resolve the FY2014-15 shortfall. The reduction will not affect the cash flow for the project, but will make meeting the remainder of the region's commitment of \$871 million for the first 350 cars (Phase 1) between FY2015-16 and FY2018-19 more challenging or advance the need for financing against future FTA revenues.

The proposed program also includes \$5 million for initiation of Caltrain's railcar replacement project, and reserves \$10 million to help fund the \$98 million requested by Caltrain in FY2015-16. This is the first installment of the region's commitment of \$315 million for Caltrain vehicles made in the High Speed Rail Early Investment Strategy memorandum of understanding (MOU) approved by MTC in March of 2012 (MTC Resolution No. 4056). Funding for the railcars will come in part from the San Jose urbanized area, which will reduce the amount of funds available for VTA's preventive maintenance and other low-scoring projects.

The proposed program also includes \$5 million for AC Transit Fleet Expansion, a CCCGP project. Programming for BART and SFMTA fleet expansion included in the CCCGP will be included in future TCP programs.

5. Caltrain Electrification. The proposed program reserves Caltrain's \$11 million in fixed guideway FY2014-15 funds for the Electrification project, consistent with Resolution 4056. The funds will not be amended into the TIP at this time because Caltrain staff have requested these funds to support their fixed guideway rehabilitation projects. Staff will amend the funds into the TIP following additional discussions between Caltrain and the MOU partner agencies and a final funding request that aligns with the MOU. This item does include programming of \$11 million in FY2012-13 and FY2013-14 TCP funds that were previously reserved for Electrification to Caltrain bridge replacement projects, including a \$4 million fund exchange with SFMTA's GPS project. The \$11 million programming was agreed to by the MOU partners following Caltrain Board action confirming that Caltrain will replace the funding for Caltrain Electrification with financing or other revenue.

6. AC Transit's Facilities Request. The CCCGP proposed \$162 million in Cap & Trade funds for AC Transit facilities projects. AC Transit requested FY2015-FY2016 TCP funds for its highest priority projects – CAD-AVL system replacement to support Bus Rapid Transit (BRT), rehabilitation and reopen the District 3 Bus

Operations and Maintenance Facility (D3) facility in Richmond, and Operations Control Center relocation – in lieu of Cap & Trade funding. Staff's recommendation is to advance \$5 million of TCP funds for the CAD-AVL project, work with ACTC to secure Measure BB funds for this and the other facilities projects consistent with local funding contributions indicated in the CCCGP, and recommend that the Commission prioritize the D3 facility for Cap & Trade Transit funds, once available.

7. BART Fare Collection Equipment. BART's request for \$6 million for fare collection equipment replacement and rehabilitation was reviewed by Clipper staff and found to be in compliance with MTC Resolution No. 3866 regarding transit coordination, and is included in the proposed FY2014-15 program. BART's request for another \$6 million for fare collection equipment in FY2015-16 will also be subject to a compliance review when that year's program is developed.

8. Options for Resolving FY2015-16 Shortfall. The gap between funding requests and projected revenues in FY2015-16 currently stands at \$182 million. Options for addressing the shortfall that staff will consider before presenting the program to the Commission next year include:

- Revisit apportionment projections based on Congressional reauthorization.
- Request operators to confirm funding requests or voluntarily defer projects.
- Defer fixed guideway funding based on grant balances and meeting proposed spending targets as described above.
- Reduce programming for vehicle replacement projects (bus or railcar) consistent with project schedules and/or cash flow needs.
- Assess the capacity and timing of financing for railcar or other CCCGP projects.
- Apply across the board reductions to all projects in San Francisco-Oakland, Concord and Antioch Urbanized Areas to eliminate any remaining shortfall.

Recommendation: Refer MTC Resolution Nos. 4035, Revised, 4084, Revised, 4162, 4163, and 4165 to the Commission for approval. Because Resolution No. 4035 is proposed for revision under other agenda items, it is included under agenda item 3c with all proposed revisions. Only items approved by the Committee will be forwarded to the Commission.

TRANSIT CAPITAL PRIORITIES PROGRAMMING UPDATE

December 10, 2014

Programming & Allocations Committee

Transit Capital Priorities Program

- Programming of FTA and STP Formula Funds, and AB664 Bridge Tolls for transit capital replacement, rehab, maintenance and operations

Transit Capital Priorities Funding FY15 and FY16 (\$ millions)

\$423	FTA Urbanized Area Formula (5307)
343	FTA State of Good Repair(5337)
27	FTA Bus & Bus Facilities (5339)
5	Cycle 2 STP Transit Capital Rehabilitation
21	<u>AB 664 Bridge Tolls for Core Capacity Projects</u>
\$819	Total TCP

Additional AB 664 Bridge Toll Revenues programmed to match TCP funds

Transit Capital Priorities Overview – Summary of Requests vs. Apportionments

TCP Program Summary (FY 15 & FY16) \$ millions

\$1,039 Requested by transit operators

\$819 Projected Revenues

\$220 Shortfall

Transit Capital Priorities - Shortfall

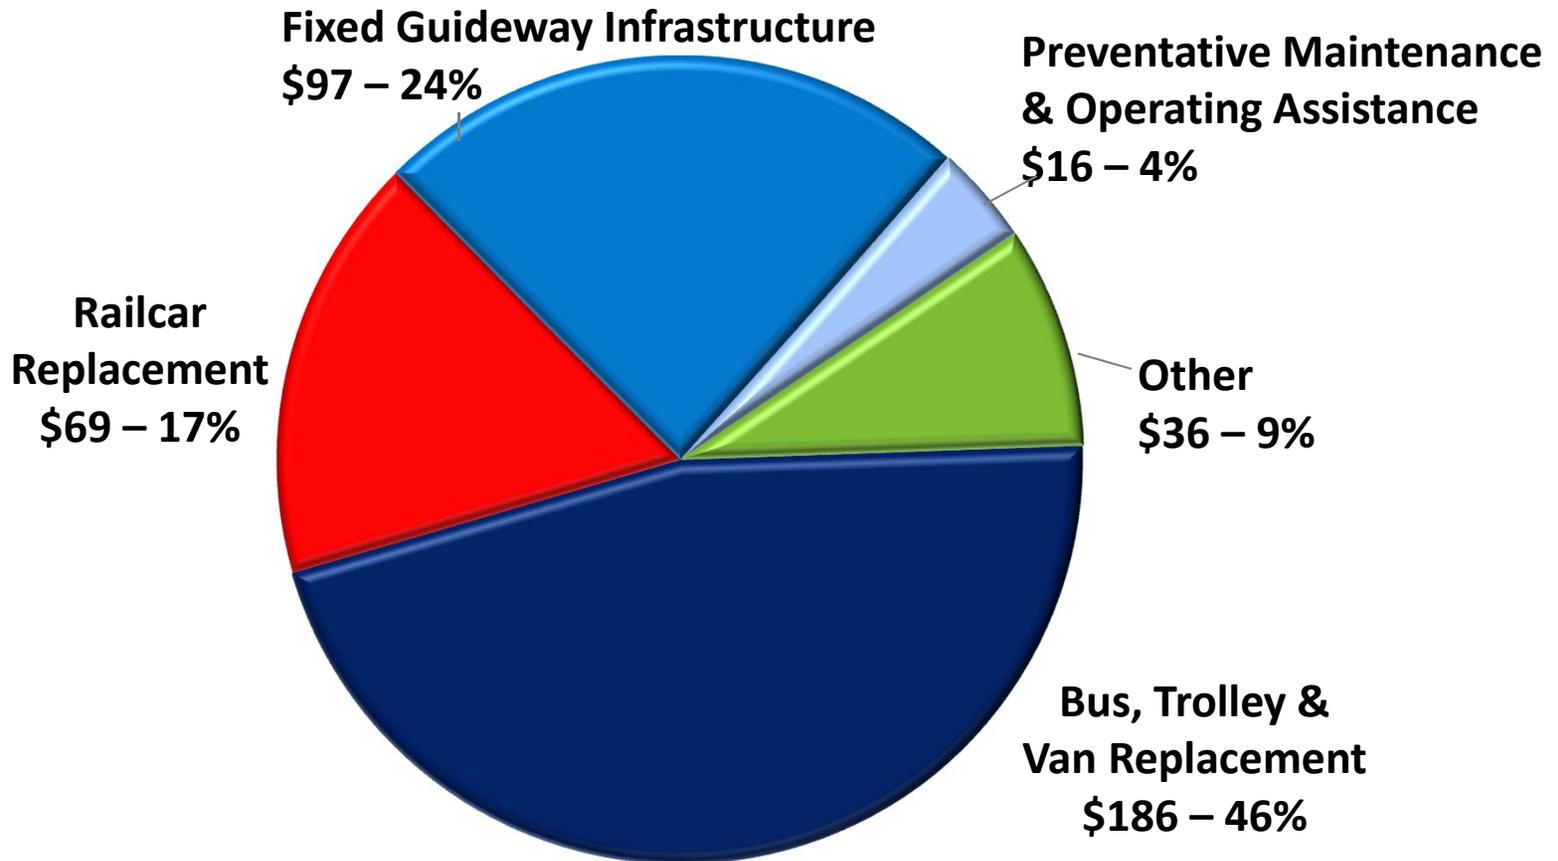

- Initial shortfall of \$142M in FY15 and \$78M in FY16
- Shortfall primarily in San Francisco-Oakland Urbanized Area
- Shortfall Result of Two Factors
 - Major Vehicle Replacements
 - Lower FTA apportionments
- Core Capacity Challenge Grant Program (CCCGP) has small impact in FY15; bulk of funding requested starting in FY17.

Addressing Shortfall

- **One-Year Program** – FY15 only
- **\$20M Cap on Bus Replacement Projects** – remainder to be fully funded in subsequent years
- **Voluntary deferrals to FY17 and Beyond** – Golden Gate, SFMTA, WETA
- **Undisbursed Grant Balances** – mandatory deferrals of fixed guideway (FG) infrastructure funding by percentage of older (2002-2012) active TCP grants that are currently undisbursed
- **Defer** part of BART Car Funding to FY16 to eliminate FY15 shortfall
- **Program FY16 next year** – \$182M shortfall still to be resolved

FY15 Program Summary

Transit Capital Priorities Rehabilitation Projects FY 15 — \$404 million Total (\$ millions)

Program Issues

- **Uncertainty of Funding Re-Authorization**

- ▣ No surface transportation bill to replace MAP-21 yet
- ▣ Transit funding has been flat in MAP-21

- **Major Vehicle Replacement Projects**

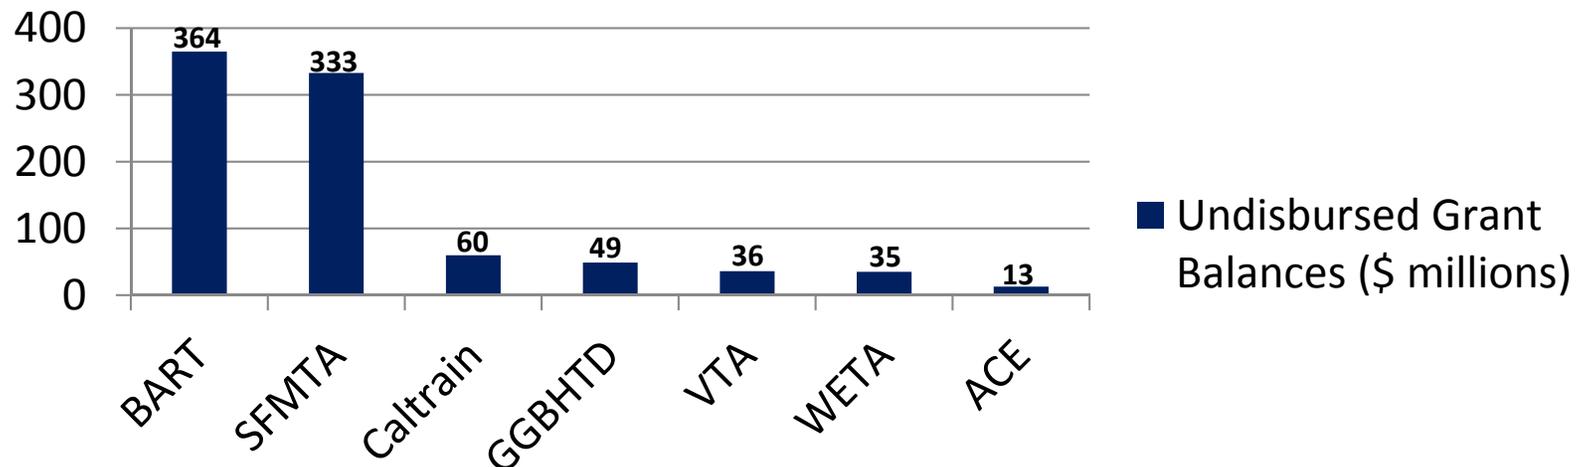

- ▣ BART Car Replacement: \$53M
- ▣ Caltrain EMU's: \$5M in FY15, \$10M reserved to help fund \$98M requested in FY16.
- ▣ AC Transit Fleet Expansion: \$5M (CCCGP project)
- ▣ BART and SFMTA Fleet Expansion (CCCGP projects) - starting in FY17

Program Issues, cont.

■ Prior-Year Grant Balances

- Roughly \$1 billion total
- TCP policy ties programming to expenditure of prior year grants
- FY15 programming for FG projects deferred by formula based on grant balances and voluntary deferrals
- Set target for spending of prior-year grant balances for each FG operator equal to 1/3 of older grant (2002-2012) balance.

Undisbursed Grant Balances (\$ millions)

Program Issues, cont.

■ **Caltrain Electrification**

- HSR Electrification MOU includes \$125M of Caltrain FG funds
- Reserve \$11M for electrification consistent with MOU

■ **AC Transit's Facilities Request**

- CCCGP included \$162M Cap & Trade funds for AC Transit facilities
- Advance \$5M TCP funds for CAD-AVL, work with ACTC to secure Measure BB funds, and prioritize D3 facility for C&T funds.

■ **BART Fare Collection Equipment**

- \$6M fare collection equipment request found to be in compliance with Res No.3866.

Program Issues, cont.

- **FY16 Shortfall – Options for Resolving**
 - ▣ Revisit apportionments.
 - ▣ Request operators to reconfirm requests or defer projects.
 - ▣ Reduce programming for vehicle replacement projects.
 - ▣ Defer FG funding based on grant balances, actual need/cashflow, and meeting spending targets.
 - ▣ Assess capacity and timing of financing.
 - ▣ Apply across the board reductions.

Transit Capital Priorities Program

- **Recommendation:** Refer MTC Resolution Nos.
 - **4162** – FY 2014-15 TCP Program
 - **4035**, Revised – Cycle 2 STP Transit Capital Rehabilitation Program
 - **4163** – FY2014-15 AB664 Program
 - **4165** – FY2014-15 AB664 Allocations
 - **4084** – Revision to FY2012-13 and FY2013-14 FTA Formula Funds Program

to the Commission for approval

ABSTRACT

Resolution No. 4084, Revised

This resolution approves the FY2012-13 and FY2013-14 Transit Capital Priorities preliminary program of projects for inclusion in the Transportation Improvement Program (TIP). The program includes projects funded with FTA Section 5307 Urbanized Area, Section 5309 Fixed Guideway Modernization, Section 5337 State of Good Repair, and Section 5339 Bus and Bus Facilities.

This Resolution includes the following attachment:

Attachment A – FY2012-13 and FY2013-14 Program of Projects

This resolution was amended on February 27, 2013 to transfer \$2 million in Section 5307 funds from an SFMTA bus replacement project to BART's enterprise asset management system project. The funding for the SFMTA project will be replaced with FTA Section 5309 Bus discretionary funds.

This resolution was revised on April 24, 2013 to reflect several transfers of funding between eligible projects and deferral of projects to future years.

This resolution was revised on May 22, 2013 to program previously reserved funds for ACE, Caltrain, and the Solano County operators, to program additional funding for AC Transit and SFMTA bus replacement projects, and to make program revisions to reconcile to final FY2012-13 FTA apportionments.

This resolution was revised on September 25, 2013 to make minor revisions to the Transit Capital Priorities program for FY2012-13 and FY2013-14 to reconcile the program to final FTA apportionments.

ABSTRACT

MTC Resolution No. 4084, Revised

Page 2

This resolution was revised on February 26, 2014 to make revisions to the FY2013-14 Transit Capital Priorities program to transfer funds from two existing AC Transit Bus Procurement projects to a new AC Transit Farebox Replacement project; and to transfer funds from two existing WETA Fixed Guideway projects to an existing WETA Ferry Replacement project. The resolution was also revised to program FY 2013-14 5307 funds to Lifeline Transportation Program projects to replace JARC funds that lapsed.

This resolution was revised on April 23, 2014 to make program revisions to reconcile the program to final FY2013-14 apportionments released by FTA and to make additional changes requested by operators that were consistent with the TCP policy.

This resolution was revised on May 28, 2014 to re-program \$400,000 from Fairfield and Suisun Transit (FAST) bus engine replacements to operating assistance after the Solano County Coordinated Short Range Transit Plan was submitted demonstrating that the replacement of the engines and buses used for intercity express routes, as well as other capital needs, can be adequately funded while continuing to use FTA funds for operating costs. The resolution was also revised to re-program most of Caltrain's ADA set-aside funds to their Revenue Vehicle Rehabilitation Program, to re-program funds from Soltrans' Bus Purchase project to their Preventive Maintenance project as requested by the operator; and to revise Napa's and Soltrans' ADA operating set-aside amounts to keep them under the 10% ADA limit by Urbanized Area.

This resolution was revised on December 17, 2014 to re-program \$4,258,982 from the amount reserved for Caltrain's Positive Train Control/Electrification project to Caltrain's San Mateo Bridges Replacement project in FY2012-13. The resolution was also revised to re-program \$2,841,018 and \$4,000,000 from the amount reserved for Caltrain's Positive Train Control/Electrification project to Caltrain's San Mateo Bridges Replacement project and SFMTA's Global Positioning System projects, respectively, in FY14. The resolution was also revised to reflect minor transfers of funding between AC Transit projects as a result of project cost savings. The changes have been highlighted under Attachment A to this resolution.

RE: San Francisco Bay Area Regional Transit Capital Priorities

METROPOLITAN TRANSPORTATION COMMISSION
RESOLUTION NO. 4084

WHEREAS, the Metropolitan Transportation Commission (MTC) is the regional transportation planning agency for the San Francisco Bay Area pursuant to Government Code Sections 66500 et seq.; and

WHEREAS, MTC is the designated Metropolitan Planning Organization (MPO) for the nine-county Bay Area and is required to prepare and endorse a Transportation Improvement Program (TIP) which includes a list of priorities for transit capital projects; and

WHEREAS, MTC is the designated recipient of the Federal Transit Administration (FTA) Section 5307 Urbanized Area, Section 5309 Fixed Guideway Modernization, Section 5337 State of Good Repair, and Section 5339 Bus and Bus Facilities funds for the large urbanized areas of San Francisco-Oakland, San Jose, Concord, Antioch, and Santa Rosa, and has been authorized by the California Department of Transportation (Caltrans) to select projects and recommend funding allocations subject to state approval for the FTA Section 5307 and Section 5339 small urbanized area funds of Vallejo, Fairfield, Vacaville, Napa, Livermore, Gilroy-Morgan Hill, and Petaluma in MTC's Federal Transportation Improvement Program; and

WHEREAS, MTC has worked cooperatively with the cities, counties and transit operators and with Caltrans in the region to establish priorities for the transit capital projects to be included in the TIP; and

WHEREAS, the process and criteria used in the selection and ranking of such projects are set forth in MTC Resolution No. 4072; and

WHEREAS, the projects to be included in the TIP are set forth in the detailed project listings in Attachment A, which are incorporated herein as though set forth at length; now, therefore, be it

RESOLVED, that MTC adopts the FY2012-13 and FY 2013-14 Transit Capital Priorities program of projects to be included in the TIP as set forth in Attachments A; and, be it further

RESOLVED, that the Executive Director or designee is authorized to revise Attachment A as necessary to reflect the programming of projects as the projects are revised in the TIP; and be it further

RESOLVED, that the Executive Director of MTC is authorized and directed to forward a copy of this resolution to FTA, and such agencies as may be appropriate.

METROPOLITAN TRANSPORTATION COMMISSION

Adrienne J. Tissier, Chair

The above resolution was entered into by the Metropolitan Transportation Commission at a regular meeting of the Commission held in Oakland, California on January 23, 2013.

FY2012-13 - FY2013-14 Transit Capital Priorities / Transit Capital Rehabilitation Program Notes

1. Apportionment projections are based on MAP-21 authorizations and FY13 partial-year apportionments released by FTA. The program will be reconciled to the final apportionments for each year after they are released by FTA.
2. Operators in the Fairfield, Napa, Petaluma, Santa Rosa and Vacaville Urbanized Areas did not wish to participate in the ADA operating set-aside programming element at the time the current ADA set-aside formula was developed. Future revisions to the ADA set-aside formula may include operators in these urbanized areas.
3. \$400,000 of FY2013-14 Section 5307 programmed to Fairfield & Suisun Transit for intercity bus engine replacements based on the intercity bus replacement strategy agreed to by the operators may be reprogrammed to another FAST project if review of the draft Solano County Short Range Transit Plan demonstrates that the engine replacements can be funded with other sources while providing sufficient funding for other capital and operating needs.
4. Caltrain deferred \$1,706,500 of its FY13 fixed guideway cap to FY14. \$413,000 of Caltrain's FY14 fixed guideway cap funds are reserved for the Positive Train Control/Electrification project pending discussions with HSR Early Investment Strategy MOU partner agencies and a final request that aligns with the MOU. Proposed program includes \$11.1 million FY13 and FY14 funds for bridge replacement projects as requested by Caltrain - previously reserved for electrification. \$4M of the \$11.1M was programmed to SFMTA's GPS project in FY14 in exchange for \$4M of SFCTA Prop K funds for Caltrain's Quint St. Bridge project.
5. \$24,323,719 for Caltrain's Railcar Replacement project will be held in a Vehicle Procurement Reserve pending development of the project schedule, and will be programmed in a future amendment.
6. ECCTA exercised the Capital Exchange element of the TCP policy by deferring replacement of two 1998 40' diesel buses to FY22 in exchange for \$266,647 for Preventive Maintenance in FY13, and by deferring replacement of two 2001 Trolley Replicas to FY25 in exchange for \$55,042 in Preventive Maintenance in FY14.
7. GGBHTD deferred \$22,074,000 of fixed guideway cap funds from FY11, FY12, FY13 and FY14 to FY15. These funds will have priority for programming in FY15 as a prior-year commitment.
8. LAVTA exercised the Capital Exchange element of the TCP policy by deferring replacement of nine 2006 22' cutaways to FY20 in exchange for \$1,157,841 for Preventive Maintenance in FY13. LAVTA also deferred replacement of five 2000 40' hybrid buses to FY15 in exchange for \$241,525 in Preventive Maintenance in FY13, and deferred replacement of eight 2002 40' hybrid buses to FY15 in exchange for \$196,984 in Preventive Maintenance in FY14.
9. Programming for Santa Rosa CityBus and Sonoma County Transit in FY14 is based on a renegotiated agreement to share apportionments in the Santa Rosa urbanized area between the two agencies.
10. SFMTA deferred \$5,000,000 of its FY13 fixed guideway cap to FY15 in exchange for advancing funding for two bus replacement projects from FY14 to FY13.
11. VTA deferred \$1,138,534 of its fixed guideway cap from FY13 to FY14.
12. WestCAT deferred \$849,920 for replacement of two buses from FY13 to FY15 in exchange for advancing funding for two different bus replacements from FY15 to FY14.
13. WETA deferred \$5,392,000 of its FY14 fixed guideway cap funds to FY15 in exchange for advancing funding for a ferry vessel replacement from FY16 to FY14.
14. SamTrans deferred \$20,000,000 of FY14 5307 for articulated bus replacement to FY15 in exchange for \$2,653,250 for Advanced Communication System Upgrades in FY14
15. The balance of the regional share of AC Transit's Replace (27) 2003 60' articulated buses project (\$3,567,594), SFMTA's 42 40' Neoplan Bus Replacement project (\$19,378,498) and SFMTA's 49 60' Neoplan Bus Replacement project (\$20,000,000 annual cap) will have priority for funding in FY2014-15 as prior-year commitments.

ABSTRACT

Resolution No. 4162

This resolution approves the FY2014-15 Transit Capital Priorities preliminary program of projects for inclusion in the Transportation Improvement Program (TIP). The program includes projects funded with FTA Section 5307 Urbanized Area, Section 5337 State of Good Repair, and Section 5339 Bus and Bus Facilities. In addition, Surface Transportation Program Cycle 2 Transit Capital Rehabilitation funds are being programmed in MTC Resolution No. 4035, Revised, and AB664 Bridge Toll revenues are programmed in MTC Resolution No. 4163 for FY2014-15 Transit Capital Priorities projects.

This Resolution includes the following attachment:

Attachment A – FY2014-15 Program of Projects

Further discussion of the Transit Capital Priorities program of projects is contained in the Programming and Allocation Committee summary sheet dated December 10, 2014.

Date: December 17, 2014

RE: San Francisco Bay Area Regional Transit Capital Priorities

METROPOLITAN TRANSPORTATION COMMISSION

RESOLUTION NO. 4162

WHEREAS, the Metropolitan Transportation Commission (MTC) is the regional transportation planning agency for the San Francisco Bay Area pursuant to Government Code Sections 66500 et seq.; and

WHEREAS, MTC is the designated Metropolitan Planning Organization (MPO) for the nine-county Bay Area and is required to prepare and endorse a Transportation Improvement Program (TIP) which includes a list of priorities for transit capital projects; and

WHEREAS, MTC is the designated recipient of the Federal Transit Administration (FTA) Section 5307 Urbanized Area, Section 5337 State of Good Repair, and Section 5339 Bus and Bus Facilities funds for the large urbanized areas of San Francisco-Oakland, San Jose, Concord, Antioch, and Santa Rosa, and has been authorized by the California Department of Transportation (Caltrans) to select projects and recommend funding allocations subject to state approval for the FTA Section 5307 and Section 5339 small urbanized area funds of Vallejo, Fairfield, Vacaville, Napa, Livermore, Gilroy-Morgan Hill, and Petaluma in MTC's Federal Transportation Improvement Program; and

WHEREAS, MTC has worked cooperatively with the cities, counties and transit operators and with Caltrans in the region to establish priorities for the transit capital projects to be included in the TIP; and

WHEREAS, the process and criteria used in the selection and ranking of such projects are set forth in MTC Resolution No. 4140; and

WHEREAS, the projects to be included in the TIP are set forth in the detailed project listings in Attachment A, which are incorporated herein as though set forth at length; now, therefore, be it

RESOLVED, that MTC adopts the FY 2014-15 Transit Capital Priorities program of projects to be included in the TIP as set forth in Attachment A; and, be it further

RESOLVED, that the Executive Director or designee is authorized to revise Attachment A as necessary to reflect the programming of projects as the projects are revised in the TIP; and be it further

RESOLVED, that the Executive Director of MTC is authorized and directed to forward a copy of this resolution to FTA, and such agencies as may be appropriate.

METROPOLITAN TRANSPORTATION COMMISSION

Amy Rein Worth, Chair

The above resolution was entered into by the Metropolitan Transportation Commission at a regular meeting of the Commission held in Oakland, California on December 17, 2014.

FY2014-15 Transit Capital Priorities / Transit Capital Rehabilitation Program Notes

1. Apportionment projections are based on 0% escalation relative to FY14 apportionments provided by the current extension of MAP-21. The program will be reconciled to the final apportionments after they are released by FTA.
2. Operators in the Fairfield, Napa, Santa Rosa and Vacaville Urbanized Areas did not wish to participate in the ADA operating set-aside programming element at the time the current ADA set-aside formula was developed. Future revisions to the ADA set-aside formula may include operators in these urbanized areas.
3. Programming for Santa Rosa CityBus and Sonoma County Transit in FY15 is based on a renegotiated agreement to share apportionments in the Santa Rosa urbanized area between the two agencies.
4. AC Transit: \$5M provisionally programmed for CAD-AVL System project pending discussions with AC Transit and ACTC on funding plan for CCCGP projects that were to be funded with Cap & Trade and local funds in CCCGP funding plan.
5. ACE: \$146,190 of FY15 FG cap deferred by formula based on grant balances to FY17.
6. BART: \$13,194,931 of FY15 FG cap deferred by formula based on grant balances to FY18.
7. Caltrain: \$1,835,506 of FG cap deferred by formula based on grant balances to FY17.
8. Caltrain: Reserved \$10.7 million FG cap for Electrification consistent with HSR/CalMod MOU, pending potential revision of Electrification funding plan.
9. Caltrain: \$10,469,721 for Caltrain's Railcar Replacement project will be held in a Vehicle Procurement Reserve, and will be programmed in a future amendment.
10. GGBHTD: Voluntarily deferred \$23,628,000 of fixed guideway cap funds from FY11 through FY15 to FY17. These funds will have priority for programming in FY17 as a prior-year commitment.
11. SFMTA: Voluntarily deferred \$15,000,000 of its FY15 fixed guideway cap to FY18; also deferred their 21 40ft Trolley Coach procurement to FY15-16 in response to MTC's request for deferral of projects to reduce shortfall. An additional \$1,518,629 of SFMTA's FY15 FG Cap was deferred by formula based on grant balances to FY17.
12. SFMTA: \$500k programmed to Station Bike and Pedestrian Improvements project in exchange for \$500k of SFMTA revenue bond funds for FG cap projects.
13. WestCAT exercised the Capital Exchange element of the TCP policy by deferring replacement of six 2002 40' diesel vehicles until FY16-17. Total savings to the region equals \$464,600. WestCAT will utilize the option for using 50% (\$232,300) of these savings for a non Score 16 project, preventive maintenance.
14. WETA: Voluntarily deferred \$3,424,000 of FG cap to FY17.

ABSTRACT

Resolution No. 4163

This resolution establishes the AB 664 Net Bridge Toll Revenues program of projects for FY2014-15. The initial program consists of \$5,219,167 being programmed to AC Transit towards their fleet replacement consistent with the Core Capacity Challenge Grant Program funding plan. The initial program also consists of \$67,304 in savings from the original allocation to the region for the Regional Transit Capital Inventory project in FY2006-07 that has lapsed and is now being re-programmed towards the same project. This resolution will be amended to add the remainder of the FY2014-15 AB 664 program in conjunction with final revisions to the FY2014-15 Transit Capital Priorities program.

The following attachment is provided with this resolution:

Attachment A. Program of AB 664 Net Bridge Toll Revenue Projects FY2014-15

Further discussion of the AB 664 program of projects is contained in the Programming and Allocations Committee summary sheet dated December 10, 2014.

RE: Programming of AB 664 Net Bridge Toll Revenues in Fiscal Year 2014-15

METROPOLITAN TRANSPORTATION COMMISSION
RESOLUTION NO. 4163

WHEREAS, the Metropolitan Transportation Commission (MTC) is the regional transportation planning agency for the San Francisco Bay Area pursuant to Government Code Section 66500 et seq., and

WHEREAS, pursuant to Streets and Highways Code § 30892, after deduction for MTC's administrative costs, MTC shall allocate toll bridge net revenues to public entities operating public transportation systems to achieve MTC's capital planning objectives in the vicinity of toll bridges as set forth in its adopted Regional Transportation Plan (RTP) ("Net Revenues"); and

WHEREAS, pursuant to Streets and Highways Code § 30894, MTC has adopted MTC Resolution No. 4015, which sets forth MTC's Bridge Toll Revenue Allocation Policy; and

WHEREAS, MTC has adopted a transit capital priorities program which set forth the priorities for funding transit capital projects in the Transportation Improvement Program (TIP); and

WHEREAS, "claimants" certify that their respective projects programmed in the TIP are in conformance with MTC's Regional Transportation Plan, with the requirements of the California Environmental Quality Act (Public Resources Code § 2100 et seq.) and the State EIR Guidelines (14 Cal. Admin. Code § 15000 et seq.); now therefore, be it

RESOLVED, that MTC approves the FY2014-15 programming of AB 664 Net Bridge Toll Revenues to the claimants, in the amounts, for the purposes, and subject to the conditions listed on Attachment A to this resolution, attached hereto and incorporated herein as though set forth at length.

METROPOLITAN TRANSPORTATION COMMISSION

Amy Rein Worth, Chair

The above resolution was entered into by the Metropolitan Transportation Commission at a regular meeting of the Commission held in Oakland, California on December 17, 2014.

ABSTRACT

Resolution No. 4165

This resolution allocates AB 664 Net Bridge Toll Revenues to eligible transit operators for FY2014-15. The initial allocations consist of \$5,219,167 to AC Transit towards their fleet replacement consistent with the Core Capacity Challenge Grant Program funding plan, and \$67,304 to the region for the Regional Transit Capital Inventory project (this was part of the original allocation to the region for the Regional Transit Capital Inventory project in FY2006-07 that has lapsed and is now being re-allocated towards the same project). This resolution will be amended to add the remainder of the FY2014-15 AB 664 allocations in conjunction with final revisions to the FY2014-15 Transit Capital Priorities program.

The following attachment is provided with this resolution:

Attachment A. Allocation of AB 664 Net Bridge Toll Revenue FY2014-15

Further discussion of the AB 664 program of projects is contained in the Programming and Allocations Committee summary sheet dated December 10, 2014.

RE: Allocation of AB 664 Net Bridge Toll Revenues for FY 2014-15

METROPOLITAN TRANSPORTATION COMMISSION
RESOLUTION NO. 4165

WHEREAS, the Metropolitan Transportation Commission (MTC) is the regional transportation planning agency for the San Francisco Bay Area pursuant to Government Code § 66500 et seq.; and

WHEREAS, MTC is responsible for the allocation of certain bridge toll revenues, to wit:

(1) Pursuant to Streets and Highways Code § 30892, after deduction for MTC's administrative costs, MTC shall allocate certain toll bridge net revenues to public entities operating public transportation systems to achieve MTC's capital planning objectives in the vicinity of toll bridges as set forth in its adopted Regional Transportation Plan (RTP) ("Net Revenues"); and

WHEREAS, MTC Resolution No. 4015 sets forth MTC's bridge toll revenue allocation policies; and

WHEREAS, pursuant to Streets and Highways Code § 30895, MTC has prepared and submitted to the Legislature a report on the capital planning and ferry system objectives of MTC to be achieved through the allocation of net toll revenues; and

WHEREAS, "Claimants" have each submitted an application to MTC for an allocation of net bridge toll revenues in FY2014-15 for the projects and purposes set forth in Attachment A to this resolution, attached hereto and in MTC Resolution No. 4163, and incorporated herein as though set forth at length; and

WHEREAS, MTC Resolution No. 4163 programs Net Bridge Toll Revenues for FY2014-15; and

WHEREAS, claimants certify that their respective projects and purposes set forth in Attachment A are in compliance with the requirements of the California Environmental Quality Act (Public Resources Code § 21000 et seq.) and the State EIR Guidelines (14 Cal. Code Regs. § 15000 et seq.); now, therefore, be it

RESOLVED, that MTC finds that the Claimants' projects and purposes as set forth in Attachment A are in conformance with MTC's Regional Transportation Plan, MTC's bridge toll revenue allocation policies, and MTC's capital planning and ferry system objectives; and, be it further

RESOLVED, that MTC approves the allocation of net bridge toll revenues in FY2014-15 to Claimants, in the amounts, for the purposes, and subject to the conditions listed on Attachment A to this resolution and consistent with MTC Resolution 4163.
