Memorandum

TO: BATA Oversight Committee

DATE: January 7, 2015

FR: Executive Director

W. I. 1251

RE: Contract Amendment - On-Call Construction Management Services – San Francisco-Oakland Bay Bridge Rehabilitation Program Oversight: Zoon Engineering, Inc. (\$600,000)

Staff requests approval of a contract amendment with Zoon Engineering, Inc. (Zoon Engineering) for on-call construction management services for integration of various toll bridge rehabilitation contracts on the San Francisco-Oakland Bay Bridge (SFOBB) in an amount not to exceed \$600,000.

Background

In January 2014, after a competitive procurement, this Committee authorized the Executive Director to enter into contracts with eight firms, including Zoon Engineering, to provide on-call construction management services.

In February 2014, staff executed a contract with the Zoon Engineering for \$100,000 to provide construction project management support for FasTrak® Interim Customer Service Center (CSC) build-out. Subsequently in March 2014, staff executed a contract amendment with Zoon Engineering for \$600,000 to provide construction project management support for BATA-funded toll bridge rehabilitation work being constructed as part of the SFOBB East Span Replacement Project. Zoon Engineering was selected to complete the work due to its extensive specialized experience on large toll bridge structures dealing with traffic control, electrical inspection, and integrating electrical components and construction management on the entire SFOBB. This included the completion of construction management services for the conversion of open road tolling upgrade, toll plaza media improvements, and security and ship navigation enhancements. The current contract amount is \$700,000.

Staff is requesting an additional \$600,000 for Zoon Engineering to continue to support work through completion at the end of 2016. The work includes completion of remaining security systems and electrical upgrades to a Substation on the west span of the SFOBB.

Recommendation

Staff recommends that the Committee authorize the Executive Director or his designee to negotiate and enter into a contract amendment with Zoon Engineering to perform on-call construction project management services for integration of rehabilitation work on the SFOBB, in an amount not to exceed \$600,000.

REQUEST FOR COMMITTEE APPROVAL
Summary of Proposed Contract Amendment

Work Item No.: 1251

Vendor: Zoon Engineering, Inc., Walnut Creek, CA

Work Project Title: On-Call Construction Management Services: San Francisco-Oakland Bay Bridge Rehabilitation Integration Project

Purpose of Project: To provide staffing to perform construction project management services for integration of toll rehabilitation projects on the SFOBB.

Brief Scope of Work: Consultant shall perform construction project management services for integration of toll rehabilitation projects being constructed as part of the SFOBB East Span Replacement Project.

Project Cost Not to Exceed: This amendment - \$600,000
Current contract amount before this amendment- \$700,000
Maximum contract amount after this amendment - \$1,300,000

Funding Source: Toll Bridge Rehabilitation Program funds

Fiscal Impact: Funds are included in the FY 2014-15 Toll Bridge Rehabilitation Program Budget

Motion by Committee: That the Executive Director or his designee is authorized to negotiate and enter into a contract amendment with Zoon Engineering, Inc., to perform construction project management services for integration of rehabilitation work on the San Francisco-Oakland Bay Bridge East Span Replacement Project as described above and in the Executive Director's memorandum dated January 7, 2015, and the Chief Financial Officer is directed to set aside funds in the amount of \$600,000 for such contract amendment.

BATA Oversight Committee:

Tom Bates, Vice Chair

Approved: Date: January 14, 2015
