RE: Regional Means-Based Transit Fare Pricing Study Update

MTC is conducting the Regional Means-Based Transit Fare Pricing Study to develop scenarios for funding and implementing a regional means-based transit fare program or programs in the nine-county Bay Area, and to determine the feasibility of implementing the scenarios. On Thursday, May 28, 2015, MTC conducted the first Technical Advisory Committee (TAC) meeting for the study. At this meeting, the TAC discussed the existing conditions work that has been completed by the consultant, and the implications for developing scenarios. Attached is the presentation that was discussed with the TAC.
