Subject: Bay Area Partnership Board Membership Request

Dear Mr. Scanlon:

The City of Fairfield respectfully requests membership on the Bay Area Partnership Board.

Fairfield/Suisun Transit (FST) is a regional transit operator with routes to Pleasant Hill BART Station and the Vallejo Ferry Terminal. From these terminals, FST passengers can connect to numerous services linking the greater Bay Area. FST also operates an ADA paratransit system and Solano Paratransit, which serves ADA-qualified riders in the northern portion of Solano County.

As a growing regional transit operator, FST seeks to implement the goals of SB 1474 by improving service to the transit customer, increasing system efficiency through coordination of specific functions and developing sub-regional coordination agreements between connecting agencies.

If you have an questions or comments, please do not hesitate to contact me at 707-428-7768 or e-mail gfink@ci.fairfield.ca.us

Sincerely,

George K. Fink
Transit Manager
