Attention: Mr. Ray Sukys

Dear Ms. Kiser, Mr. Sukys:

In accordance with federal regulations, the California Department of Transportation (Department) is submitting, for your review and approval, the 2007 California Federal Statewide Transportation Improvement Program (FSTIP). In compliance with Title 23 Code of Federal Regulations 450.220, I certify that the 2007 FSTIP was developed in accordance with the applicable requirements of the federal transportation statutes.

Under the authority delegated to me by the Governor, I also approve and incorporate into the FSTIP, by reference, the Metropolitan Planning Organizations (MPOs) Federal Transportation Improvement Programs (FTIPs) as listed in the enclosed FSTIP. For the areas of the state not covered by MPOs, this FSTIP includes project listings, schedules and revenues.

Consistent with the staff discussion between the Department, the Association of Monterey Bay Area Governments (AMBAG) and the Santa Barbara County Association of Governments (SBCAG), my approval of the FSTIP excludes projects from the AMBAG and SBCAG regions. These projects will be forwarded to the Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) to be included in the 2007 FSTIP following adoption of the FTIPs by the respective regions. In addition, since federal regulations require the state to approve the FTIPs in whole, the Department requests that FHWA and FTA exclude the Tulare County Association of Government projects listed in the attachment to this letter.
