RE: 2007 Draft Legislative Program

Attached is a copy of MTC's Draft 2007 Legislative Program, which was presented to the MTC Legislation Committee on November 3. This document was prepared in advance of the November 7 election, and therefore legislative funding proposals were omitted on the grounds that the outcome of the election would greatly determine what ideas should be pursued next year. At your meeting on November 20, MTC staff will discuss any funding proposals that are under consideration in the wake of the election and seek your feedback on these, as well as the ideas proposed in the attached Draft 2007 Legislative Program.
